Question:	What did you think were the best things about this course?	
Response Rate:	77.78%	(7 of 9)
1	The materials provided to us so that we could practice as if it were the real thing.	
2	The hands on training we received making IV's and other drugs as well as hood cleaning techniques we learned were very helpful.	
3	I really enjoyed having the hands on experience and feedback I've had in this course. Pharmacy Compounding has drawn my attention and I've really enjoyed it. I'm very thankful this class has helped me find my passion for pharmacy compounding.	

4	I loved everything about this course! I loved the hands on training. I was nervous about the videos but I think at the end it made us more comfortable.	
5	I like that we were able to make IVs and also able to get a certificate for making sterile compounds	
6	I learned a lot about all aspects of the human body and medicine. This will come in handy later in my career.	
7	All the classes were wonderful, the materials are really nice.
