1	<p>Professor Massey has been such a blessing to our class. (group B) we have built such a strong bond with her even on a personal level. You can tell Mrs. Massey is passionate about her job and is a huge inspiration to those who want to be estheticians. She has been beyond patient and understanding this past year. She is the best thing that has happened to me throughout my college career. I struggled very bad this year with depression and my teacher made it a point to always check on me. When i didnt go to class she reached out to ask if i was okay. Mrs. Massey has provided so much quality work and time and there is no one that could truly top her. I know my milady book front to back because of the resources she supplied for us. If we ever had any questions she told us she wouldnt mind clarifying it a thousand times.</p>	
2	<p>Assignments and test tips are brought up the last minute. Instead of the beginning of the semester to have it remembered and not messed up.</p>
