Question:	What did you think were the best things about this course?
Response Rate:	80.00% (12 of 15)

1	the practice for college classes and learning how to better use time management	
2	the lack of homework	
3	This was my first college course, and I think the thing I liked the most was being able to know about all my assignments ahead of time and when they were due. I liked being able to work ahead and be able to complete some of the work.	
4	The things I liked about this course ranged heavily. Firstly, Mr. Wankan was amazing to have and was fun throughout the whole course. I also liked how each assignment was clear and simple to understand and complete. My favorite thing about his class though was his chill class environment that allowed discussion and collaboration.	
5	The organization	
6	The best things about this course is the consistency of the work needed. The journals and reading responses were weekly and that helped manage the work load.	

7	It wasn't as heavy workload	
8	It pushed me to write in ways I never expected to.	
9	I really liked all the writing we did and all the new skills I learned.	
10	I liked how everything was up to you like he laid everything out and you were responsible for how you did	
11	I like how we are able to complete our work as we please as long as we meet the deadline.	
12	How relaxed it was while still being educational.	

Question: What were the course's weaknesses and areas in need of improvement?		
Response Rate: 73.33% (11 of 15)		
1	repetitiveness in course content	
2	more time on certain areas	
3	The only weakness I could come up with for Mr. Wankan's class would be that the class often went a little long for my liking and that is mainly the fault of the DISD school itself since there is a mandated break after each 2nd-period class.	
4	The grading	
5	The course weaknesses were how fast we moved on to a new subject and how long the grading process took.	
6	Some of the stuff we learned seemed ridiculously basic and a lot of it just felt like review. I don't know, the class was just easy. But I don't really hate that.	
7	None	
8	No complaints.	
9	No area of improvements needed. I wouldn't say there was a weakness either, but being able to understand some of the writing requirements were hard until I went back and reviewed the videos you made. That was very helpful.	
10	I think we needed a little more struture in the class, the enviornment made it kind of hard to work	
11	I don't think there were any weaknesses.	

Question: Positive aspects of the facilities (classroom arrangements, computer hardware/software/support, etc.):		
Response Rate: 73.33% (11 of 15)		
1	slideshows were nice	
2	has nice PowerPoints with clear explanation for task off the day	
3	We had time to do some work in class.	
4	We got to pick our seats which was nice, and we can listen to music when writing or doing individual assignments.	
5	The teacher is very inquisitive.	
6	The desk set up was nice	
7	The arrangements promoted discussion.	
8	Some positive aspects of this course was how much feedback we got on our grades, all we had to do was ask and he would typically provide us with all the information we needed.	
9	I really liked the collaboration and productivity were allowed in the class. Another aspect I enjoyed is the simplicity of assignments.	

10	I liked how the class was setup and taught.	
11	Having the videos to show how formatting was needed, helped alot.	

Question: Negative aspects of the facilities (classroom arrangements, computer hardware/software/support, etc.):		
Response Rate: 73.33% (11 of 15)		
1	walls were bare, felt cold	
2	n/a	
3	again, everything is just very repetitive	
4	We literally never got any computers, which was annoying.	
5	There were no major negative aspects of the facility, only a few such as needing a bathroom pass to use the bathroom. But that was a district issue.	
6	None	
7	None	
8	None.	
9	No complaints.	
10	N/A	
11	I didn't like reading responses since there are so many as well as the journal entries	

Question: Please add any additional comments you may have about this course:		
Response Rate: 60.00% (9 of 15)		
1	n/a	
2	The grading was a bit of an issue, especially when there was multiple times that I presented a problem with the grading and there was no solution or attempt of a solution. There was also no follow up after the conversations, it was like your words went in one ear and out the other.	
3	None	
4	NA	
5	N/A	
6	Mr. Wankan is an amazing teacher.	
7	Mr. Wankan is super chill and funny and he's a good teacher. His class almost felt like a little safe space where you could just relax for a bit.	
8	I really hope that I can come out with a "A" in this English course. I feel like I did well on most of the writing assignments and had fun bring some of life events into essays.	
9	I enjoyed this course.
