Question:	**Please add any additional comments you may have about this course:**
Response Rate:	**28.57**% (**2** of **7**)
1	The instructor was organized VERY well and responded quickly for any questions that were asked. He also had everything prepared for the class as far as assignments, so if we wanted and could, we could move forward. I'm not as big on working as a group for more than one project and especially online as I like to get things done early and one of the classmates were quite difficult to work with.
