Qualitative

What did you think were the best things about this course? -

- I enjoyed the beginning when the first professor kyle was teaching. We would have conversations in class and I learned very interesting things and got to do presentations.

- Learning MLA format

What were the course's weaknesses and areas in need of improvement? -

- NA
- There we're no weaknesses.
- As we changed professors it was very messy and the next teacher did not have much knowledge of what we were doing in the class before and now we are just being thrown into a paper without her ever teaching us much at all it was very frustrating and everything is very rushed at this point.

Positive aspects of the facilities (classroom arrangements, computer hardware/software/support, etc.). -

- The classroom had available computers at all times which is helpful.
- Classrooms were always clean
- Great room

Negative aspects of the facilities (classroom arrangements, computer hardware/software/support, etc.). -

- NA
- Computers are slow
- Some chairs face the wall making it hard to pay attention when teaching is being done.
