Question:	**What did you think were the best things about this course?**
Response Rate:	77.78% (**7** of **9**)

1	The teacher, she was so nice and thoughtful
2	The professor was very conscious of people's feelings and understanding when grading if communicated.
3	I loved how fun this course was. It was very straight forward and very laid back which made learning a lot easier.
4	I love professor Love's teaching style and how it's super inclusive (especially for neurodivergent people :)). I was exposed to new methods of teaching I find so helpful, useful, and overall up-to-date with society. For example, making sure students know it's okay to speak in draft made sharing in class so much less stressful. So many good things can be said about this course and professor Love!
