<b>Question:</b>	What did you think were the best things about this course?										
<b>Response Rate:</b>	66.67% (4 of 6)										
1	the syllabus has all of the assignments on it word for word so it is very easy to know what is going on next week if you cannot make it or need to know what you have due the next week.										
2	The openness of the classroom layout was very inviting and I felt that it promoted free thinking and cooperation. Ms. Lowery is very kind and considerate and friendly as well! I received thorough criticism about my work and also compliments where I performed well.										
3	The best things about this course was the teacher. She was willing and able to explain things when not understood and as many times as you needed it. Ms. Lowery was always very patient in our learning. She did not rush us and was most interested in our success in writing.										
4	Astrid Lowery was a great professor. She challenged us in ways that we needed to become better writers. She is wise beyond her years and I think this helps her teach the course.										

<b>Question:</b>	What were the course's weaknesses and areas in need of improvement?									
<b>Response Rate:</b>	66.67% (4 of 6)									

1	none of the assignments are available online so if you lose something like a prompt to a essay you have to wait till next week to ask for another rather than all of the papers being posted online.	
2	There are no current weaknesses that come to mind.	
3	One thing that was a pro and a con is that she relied on many handouts to give us information. This is a great thing because I liked having the copies in hand but i think I would have preferred majority of the papers emailed or put on black board so that they were easily accessible through a laptop or cell phone.	
4	I am not knowledgeable enough about the course to determine the courses weaknesses. I didn't feel like there were any weaknesses. I have learned so much and have become a significantly better writer thanks to Ms. Lowery.	

<b>Question:</b>	<b>Positive aspects of the facilities (classroom arrangements, computer hardware/software/support, etc.):</b>	
<b>Response Rate:</b>	66.67% (4 of 6)	
1	the computers work well as well as good support for writing.	
2	The support in this class was absolutely amazing and I wish I could have her the entire time I am here at COM.	
3	The classroom was a great layout although in the beginning of the semester we had rolling chairs and mid semester they took them away from us. Instead they put in very stiff non-rolling chair that were uncomfortable to sit in for three hours.	
4	Standard computer equipment. The chairs were great in the first half of the class, but were changed to be less great.	

<b>Question:</b>	<b>Negative aspects of the facilities (classroom arrangements, computer hardware/software/support, etc.):</b>	
<b>Response Rate:</b>	66.67% (4 of 6)	
1	the computers in the classroom we are in resets the hard drive. I didn't know this so I ended up rewriting multiple assignments.	
2	none	
3	The rolling chairs were better than the stiff chairs they replaced them with.	
4	The chairs were replaced about half way through the course. This was very disappointing.	

<b>Question:</b>	<b>Please add any additional comments you may have about this course:</b>	
<b>Response Rate:</b>	66.67% (4 of 6)	
1	a lot of time was wasted in the beginning of the year on talking about due dates even though all of the due dates were in the syllabus.	
2	This course was a great course and I'm glad I took it, I would definitely recommend Ms. Lowery to anyone seeking a writing course	
3	Thank you for your hard work and dedication to your students. I appreciate your patience. Your an amazing instructor and person.	
4	Mrs. Lowery was a great teacher. I will remember her class forever and it was the perfect introduction to my first year of college. I learned so much in her class and can truly say I became a better writer.
