Response Rate:	47.37% (9 of 19)		
1	the learning		
2	it was good		

3	being a creative writer	
4	Very easy	
5	There were many discussions in person with many examples and explanations of various writing tactics.	
6	Other students were very interactive. Class was always full of discussion.	
7	I think the best things about this course was the essay assignments. I enjoyed writing about my topics and the instructor gave us a lot of freedom when choosing our topics so I was able to write about what I wanted to.	
8	I like when we have discussions about tough topics that many people are afraid to speak up about. I also enjoy viewing other people's work through peer review and presentations.	
9	Essay topics were very interesting	

Question:	What were the course's weaknesses and areas in need of improvement?	
Response Rate:	47.37% (9 of 19)	
1	time	
2	none	
3	it can get a little boring.	
4	Sometimes not a lot of examples were provided and made a lot of the self work hard to accomplish.	
5	Nothing	
6	No comment.	
7	N/A	
8	I do not think there were any weaknesses or areas in need of improvement	
9	Few major assignments but many minimal assignments that need to be more balanced. Needs to give feedback in a more timely manner.	

Question:	Positive aspects of the facilities (classroom arrangements, computer hardware/software/support, etc.):	
Response Rate:	47.37% (9 of 19)	
1	nice professor	
2	n/a	
3	Wide room.	
4	The projector was nice	
5	The positive aspects of the facility were the arrangement. I like how the tables were set up and how everyone was able to see the board.

3	Online, there needs to be more organization. Needs to be more space in between the desks/chairs and tables.	
4	Nothing	
5	No comment.	
6	N/A	
7	Kind of small for how many students were in the class.	
8	I think the negative aspects of the facility were the lack of computers. We had to go to a separate classroom if we needed to work on computers, and I think that it would have been more helpful if there were computers in the room.	

Question:	Please add any additional comments you may have about this course:	
Response Rate:	31.58% (6 of 19)	
1	none	
2	n/a	
3	This was one of my favorite classes because Professor Anderson made me more confident in my ability as a writer and presenter. Finding teachers such as him is rare!	
4	Needs to be more enthusiastic about the course but overall it is a good course to take, and the professor is understanding.	
5	I think the instructor talked too much about politics. Of course, mature conversations are expected in an adult environment, but the instructor seemed to rely too much on politics for examples and the way he presented any articles or controversies regarding politics (which was often) they seemed very much one sided.	
6	Anderson was professional and a great teacher

Question: What did you think were the best things about this course?	
Response Rate:	68.75% (11 of 16)
1	the material that he choose for us to read and analyze is important and interesting 
2	teaching style 
3	some of the stories we read throughout the semester 
4	Watching the film versions of Huck Finn and Street Car named Desire. 
5	The readings. 
6	Loved the teacher and the subject 
7	Lecture 
8	I really liked the creative project. It allowed students an opportunity to understand the material in a way that made the most sense to them and allowed a creative outlet. This made the material more fun and engaging. I was excited to work on my project. 
9	I believe that the best things about this course were the ways in which assignments were presented, the interesting stories and works of literature that the class was able to read, and how friendly the atmosphere of the class was. 

10	Easy format	
11	Course content and instructor's leniency.	

Question: What were the course's weaknesses and areas in need of improvement?		
Response Rate: 56.25% (9 of 16)		
1	the way he explained things because most of the time he talked so fast it was hard to understand	
2	none	
3	none	
4	There were a lot of readings	
5	There are little to no significant areas that are in need of improvement, this was an overall well-balanced course that covered lots of interesting material.	
6	Teacher sometimes interrupted students after asking them a question, i understand he's trying to save time	
7	Teacher not enthusiastic	
8	Nothing.	
9	I would have preferred it if there was more in-class discussion & participation, but I am aware the professor can only encourage that so much and it is up to the students to engage. I found it slightly disappointing how so many of the students were verbally unengaged & most of the class was collegiate. While I do believe that collegiate is a great opportunity for those who are ready, I believe a lot of those students were unable to or chose not to delve as deep into the topics as I have seen other older students. I think this just has to do with the fact that they are not used to the higher standards for college & that it takes more when you are surrounded by others who are on the same level or higher than you. I believe that especially in literature classes, you should learn from the other students & their point of view as well as the teacher & material. I found it hard to do that because so much of what students said was not to the same level of thought & comprehension I hoped.	

Question: Positive aspects of the facilities (classroom arrangements, computer hardware/software/support, etc.):

3	liked the table set up	
4	all of it, always made sure everyone knew where to turn stuff in	
5	Not much online	
6	Location was good.	
7	I liked the table arrangement to make us focus more	
8	Always clean, never dirty or messy at all.	

Question: Negative aspects of the facilities (classroom arrangements, computer hardware/software/support, etc.):		
Response Rate: 50.00% (8 of 16)		
1	none
