**Course Description:** This course is designed to improve your ability to communicate effectively with an audience. The method for improving your public speaking will be a combination+ of theory, critical analysis, and practice centered on the following core concepts: Research; Organization; Development; Argumentation; and Delivery. By examining and engaging in relevant discussion of the speeches of others, you will begin to see what does and does not work in each speech situation and apply that knowledge in your own work.

#### **Determination of Course Grade/Detailed Grading Formula**

##### **Grading:**

This course is a points-based course; the number earned points determines the semester grade.

1. Points will not be 'round up' to the next percentage grade higher; the exact number of points earned determines the final grade in the course
2. **Participation:** Grades are determined by peer interaction, feedback, and constructive involvement in discussion assignments.
3. **The following scale is used to determine the final course grade:**

POINTS	LETTER GRADE	PERCENTAGE
1000-900 pts.	A	(100%-90%)
899-800 pts.	B	(89.9%-80%)
799-700 pts.	C	(79.9%-70%)
699-600 pts.	D	(69.9%-60%)
599-0 pts.	F	(59.9%-0%)

**Informative Speech**-This is a speech in which you educate your audience. Like a classroom lecture or a news report, this speech should be designed to provide information that is newsworthy, interesting, and important for your audience. If the topic is controversial, the speech should provide balance by offering information from both sides of the issue. The instructional focus of this assignment is research, development, and organization.

**Speech Critiques**-Students will critique historical as well as current speeches based upon information learned throughout the course. Success relies not on informative or persuasive elements but in the speaker's ability to craft words and images that capture the occasion.

#### **Discussion Board:**

**1. Minimum 200 words** \*unless specific instructions state short answer which require detailed sentence responses.

**2. Font-Times New Roman 12ft.**

**4. textbook or video reference**

**Attendance Policy:** Regular attendance is vital to success in college courses. Poor attendance will adversely affect performance and grades. Students are required to log in and participate in weekly assignments (Quizzes, Application posts, etc.).

**Late Work:** **Is not accepted unless prior approval is provided by the instructor.** Quizzes and discussion forum/board assignments: as this is an online course, there is no excuse for assignments to be late as the assignments are due **11:59 PM Sundays**. Therefore, quizzes and/or discussion forum posts are not accepted late. Technology issues, including problems with Blackboard, are NOT excuses for work to be late.

**Communication Policy:** Students are expected to check the Course Announcements and college assigned student email DAILY (M-F) for course communications. The College provides a free, official email account to all students to ensure efficient and secure communications between you and the College. Students will be required to use their college-issued email address to communicate with their instructors and all other college personnel, so it is easy to distinguish a student's email from spam. The college expects that students will utilize their college email addresses to send and receive communications with college personnel and will read email on a frequent and consistent basis. I check emails throughout the day and I will make an attempt to respond to emails as I receive them throughout the day (M-F, 9am-4pm) as my schedule permits; Outside those hours (especially on weekends), I will try to respond and If you do not hear from me within 24 hours, you can assume I did not receive your email so I recommend trying again. Do NOT email assignments to the professor; work must be submitted Blackboard.

## Institutional Policies and Guidelines

**Grade Appeal Process:** Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook. <[https://build.com.edu/uploads/sitecontent/files/student-services/Student\\_Handbook\\_2019-2020v5.pdf](https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf). *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.* [https://build.com.edu/uploads/sitecontent/files/student-services/Student\\_Handbook\\_2019-2020v5.pdf](https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf)
