Additional Course Information

Any changes in the course will be posted in Brightspace/D2L.

The Radiologic Technology Program courses build upon each other. In each course, there may be test questions from prior modules within the course, as well as prior program courses.

Students with a positive background screening may be ineligible for clinical placement.

This course is hybrid. The lecture is online, but the labs will be in person.

Certification and Licensure

Successful completion of a criminal back-ground check does not ensure eligibility for licensure or future employment.

American Registry of Radiologic Technologists (ARRT):

The ARRT Standards of Ethics governs the behavior expected of Radiologic Technologists, and the behavior that is not tolerated. If a student has faced the following, they should consider an ethics review preapplication:

- Misdemeanor or felony charges or convictions
- Military courts-martial.
- Disciplinary actions taken by a state or federal regulatory authority or certification board.
- Serious honor code (academic) violations as described in our Rules of Ethics, such as patient abuse, violating patient confidentiality, and cheating.

These offenses may result in ineligibility for applying for certification and registration.

Texas

Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion.

Required Textbook and Materials

Title: Cloverleaf Learning

Title: American Society of Radiologic Technologists Membership

Title: Principles of Radiographic Imaging Textbook and Workbook

Authors: Carlson, Adler, and Balac

Course Description

Radiographic image quality and the effects of exposure variables. Prerequisite: RADR 2209 with a grade of "C" or better.

Course Requirements

- Attend all classes.
- Complete all exams and assignments.
- Participate in class activities and labs.
- Participate in group activities.

Determination of Course Grade/Detailed Grading Formula

The Radiologic Technology program utilizes this course grading scale:

- 90-100 = A
- 80-89 = B
- 75-79 = C
- 69-74 = D
- 0-68 = F

Late Work, Make-Up, and Extra-Credit Policy

Late assignments are not accepted. Students are responsible for completing all assignments on time and for any course content missed by absence or tardiness.

Please see the program handbook for extenuating circumstances such as:

- College Closure
- Clinical Site Closure
- Bereavement Leave
- Catastrophic Leave
- Military Leave

Attendance Policy

COM Policy

Students are required to attend and participate in every session of all classes for which they are registered. Regular attendance is a critical component to being successful in courses. Students should consult with their instructors when it is necessary to miss a class prior to the class.COM recognizes no excused absences other than those prescribed by law: religious holy days and military service. Students are expected to attend all didactic and lab classes.

Note - Lecture is online, lab is in person.

Absence

Excessive absences (including arriving late and leaving early) prevents the student from meeting the objectives of the course and the Program. If a student is absent, they must contact the faculty before the start of class and explain the situation. A student who misses 2 class periods will be given a written warning for excessive absences. A student who misses 3 or more class periods is considered unable to complete the program objectives and can be removed from the class by an instructor-initiated withdrawal. Class activities missed during the absence may not be made up.

This is an 8-week course. Any missed lab classes cannot be made up.

Tardy

A student who is not in class at the given start time of the class will be considered tardy. A student who is more than 10 minutes late may be refused entry into the class for that period at the discretion of the instructor. Entering class late or leaving early disrupts the class and is disrespectful to faculty and peers. Class activities missed during the absence may not be made up. Excessive tardiness will result in remediation. A student who cannot successfully complete a remediation plan due to excessive tardiness, can be removed from the class by an instructor-initiated withdrawal.

Communicating with Your Instructor

ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. (Faculty may add additional statement requiring monitoring and communication expectations via D2L or other LMS)

Student Learner Outcomes

1	Apply the basic principles of radiographic image acquisition to image quality.
2	Analyze the effects of exposure variables upon image quality.

Academic Dishonesty

Any incident of academic dishonesty will be dealt with in accordance with college policy and the Student Handbook. Academic dishonesty is an extremely serious offense and will result in a grade of zero on that exam, assignment, or activity. The student will be referred to the Office of Student Conduct for appropriate discipline action. Unauthorized use of AI-content generators is a form of academic dishonesty.

Withdrawal Policy

Withdrawal Policy: Students may withdraw from this course for any reason prior to the last eligible day for a “W” grade. Before withdrawing students should speak with the instructor and consult an advisor. Students are permitted to withdraw only six times during their college career by state law. The last date to withdraw from the **December Mini session is December 23**. The last date to withdraw from the **1st 8-week session is February 25**. The last date to withdraw from the **16-week session is April 20**. The last date to withdraw for the **2nd 8-week session is April 29**.

FN Grade

FN Grading: The FN grade is issued in cases of failure due to a lack of attendance, as determined by the instructor. The FN grade may be issued for cases in which the student ceases or fails to attend class, submit assignments, or participate in required capacities and for which the student has failed to withdraw. The issuing of the FN grade is at the discretion of the instructor. The last date of attendance should be documented for submission of an FN grade.

Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook: <https://www.com.edu/student-services/student-handbook.html>. *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.*

Academic Success & Support Services: College of the Mainland is committed to providing students the necessary support and tools for success in their college careers. Support is offered through our Tutoring Services, Library, Counseling, and through Student Services. Please discuss any concerns with your faculty or an advisor.

ADA Statement: Any student with a documented disability needing academic accommodations is requested to contact:

Kimberly Lachney, Student Accessibility Services Coordinator

Phone: 409-933-8919

Email: AccessibilityServices@com.edu

Location: COM Doyle Family Administration Building, Student Success Center

Textbook Purchasing Statement: A student attending College of the Mainland is not under any obligation to purchase a textbook from the college-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

Early Alert Program: The Student Success Center at College of the Mainland has implemented an Early Alert Program because student success and retention are very important to us. I have been asked to refer students to the program throughout the semester if they are having difficulty completing assignments or have poor attendance. If you are referred to the Early Alert Program you will be contacted by someone in the Student Success Center who will schedule a meeting with you to see what assistance they can offer in order for you to meet your academic goals.

Resources to Help with Stress: If you are experiencing stress or anxiety about your daily living needs, including food, housing, or just feel you could benefit from free resources to help you through a difficult time, please click here: <https://www.com.edu/community-resource-center/>. College of the Mainland has partnered with free community resources to help you stay on track with your schoolwork by addressing life issues that get in the way of doing your best in school. All services are private and confidential. You may also contact the Dean of Students office at deanofstudents@com.edu or communityresources@com.edu.

Nondiscrimination Statement: The College District prohibits discrimination, including harassment, against any individual on the basis of race, color, religion, national origin, age, veteran status, disability, sex, sexual orientation, gender (including gender identity and gender expression), or any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of College District policy.
