

Department of Mathematics
Syllabus for
Math 1314-301CL – Spring 2023
Dual Credit College Algebra
M-F in Room E215

Instructor Information: Hayley Campbell
hcampbell@tcisd.org
409-916-0800 ext. 1878

Student Hours (Tutorials): T 3:00-4:00pm in E215

Conference: 1st Period (7:15-8:03 am)

Required Textbook: College Algebra, 5th edition by Beecher, Penna, Bittinger, from Pearson. We will be using MyLab Math via D2L Brightspace for all assignments and some assessments, so you will need an access code. The access code can be purchased with the book, or separately.

Course Description: College Algebra is an in-depth study and applications of polynomial, rational, exponential, and logarithmic functions, and system of equations using matrices.

Course requirements

HW: There will be a homework assignment for each section we cover in class to be done online using MyLab Math. All due dates for homework and other online assignments such as quizzes will be given as material is covered in class.

Quizzes/Exams: There are four quizzes to be done online using MyLab Math. You can retake each quiz just once to improve your score; the higher score will be the one that counts. There may also be in-class quizzes. In-class quizzes cannot be made-up or retaken. There will be four chapter-exams and a comprehensive final. These will be done in class. **There are no retakes on any of the exams.**

Determination of Course Grade/Detailed Grading Formula: The course grade will be determined by the following formula:

$$10\% \text{ HW Average} + 10\% \text{ Quiz Average} + 64\% \text{ Exam Average} + 16\% \text{ Final Exam} = \text{Final Average}$$

Grading Scale:

Grade A: Final Average in [89.5, 100]
Grade B: Final Average in [79.5, 89.5)
Grade C: Final Average in [69.5, 79.5)
Grade D: Final Average in [59.5, 69.5)
Grade F: Final Average in [0, 59.5)

Late Work, Make-Up, and Extra Credit:

Late homework can be submitted, but there is a 20% grade penalty on late assignments. Late work will only be accepted until the corresponding exam. In class quizzes and tests must be taken on days scheduled unless you notify me in advance of any issues. There is no extra credit.

Attendance Policy: Attendance and participation is required.

Student Learner Outcome	Maps to Core Objective	Assessed via this Assignment
1. Demonstrate and apply knowledge of properties of functions, including domain and range, operations, compositions and inverses	Critical Thinking Skills (CT)	Exam 1
2. Recognize and apply polynomial, rational, exponential and logarithmic functions and solve related equations.	Critical Thinking Skills (CT)	Exam 2, 3
3. Apply Graphing Techniques	Visual Communication Skills (CS)	Exam 2, 3
4. Evaluate all roots (zeros) of higher degree polynomials and rational functions.	Critical Thinking Skills (CT)	Exam 2
5. Recognize, solve and apply systems of linear equations using matrices.	Empirical and Quantitative Skills (EQS)	Exam 4

Academic Dishonesty: College of the Mainland is committed to a high standard of academic integrity. All students are responsible for honesty and independent effort. Incidents of academic and scholastic dishonesty (including cheating, plagiarism, and collusion) will be dealt with in a manner that is consistent with College Policy and the Student Handbook. Any student found to have been academically dishonest on an assignment, quiz or exam will receive a zero for that assignment, quiz or exam and he or she will be referred to the Office of Student Conduct for further disciplinary action. Please read the sections on *Standards of Student Conduct and Discipline and Penalties* in the on-line Student Handbook.

Student Concerns: If you have any questions or concerns about any aspect of this course, please contact me using the contact information previously provided. If, after discussing your concern with me, you continue to have questions, please contact Leslie Richardson, Mathematics Dept. Chair at lrichardson@com.edu.

Productive Workplace

Students are expected to bring all tools necessary for success to class every day. These tools include writing implements, notebook/notebook paper and an approved calculator. All other items (back packs, purses, bags, etc.) must be placed on the floor between your feet. Your cell phone is to be placed on SILENT (NOT VIBRATE) and placed in your purse, backpack, or pocket. It is not to be out during class. ***Having a cell phone out during class is an interruption to the learning environment for your classmates, yourself, and the instructor.***

Week/ Date	Topic	Section	Due Date
1 1/17	Introduction to Graphs Functions and Graphs	1.1 1.2	1/23 1/23
2 1/23	Linear Functions, Equations of Lines Linear Functions, Zeros Inc, Dec, Piecewise Functions Quiz 1: Sections 1.1-1.5	1.3, 1.4 1.5 2.1	1/30 1/30 1/30 2/1
3 1/30	The Algebra of Functions The Composition of Functions Transformations	2.2 2.3 2.5	2/6 2/6 2/6
4 2/6	<i>Review for Exam 1</i> Exam 1: Chapter 1, 2		
5 2/13	Quadratic Functions Graphs of Quadratic Functions	3.2 3.3	2/20 2/20
6 2/20	Polynomial Functions Graphs of Polynomial Functions	4.1 4.2	2/27
7 2/27	Remainder, Factor Theorems	4.3	3/6
8 3/6	Rational Functions Poly Inequalities Quiz 2: Finding Zeros. Sections 3.2, 4.3, 4.5	4.5 4.6	3/20 3/20 3/20
9 3/20	<i>Review for Exam 2</i> Exam 2: Chapter 3, 4 Inverse Functions	5.1	3/27
10 3/27	Exponential Functions and Graphs Logarithmic Functions and Graphs Quiz 3: Graphing Techniques. Sections 5.1-5.3	5.2 5.3	4/3 4/3 4/5
11 4/3	Properties of Logarithmic Functions Solving Exponential Equations and Logarithmic Equations	5.4 5.5	4/10 4/10
12 4/10	Applications and Models <i>Review for Exam 3</i> Exam 3: Chapter 5	5.6	4/17
13 4/17	Matrices and Systems of Equations Systems of Equations in Three Variables	6.1, 6.3 6.2	4/24 4/24
14 4/24	Matrix Operations Quiz 4: Sections 6.1-6.4 <i>Review for Exam 4</i> Exam 4 Chapter 6	6.4	5/1 5/1
15 5/1	Review for Final Exam Final Exam		5/5

Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook.

An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.

Academic Success & Support Services: College of the Mainland is committed to providing students the necessary support and tools for success in their college careers. Support is offered through our Tutoring Services, Library, Counseling, and through Student Services. Please discuss any concerns with your faculty or an advisor.

ADA Statement: Any student with a documented disability needing academic accommodations is requested to contact Michelle Brezina at 409-933-8124 or mvaldes1@com.edu. The Office of Services for Students with Disabilities is located in the Student Success Center.

Textbook Purchasing Statement: A student attending College of the Mainland is not under any obligation to purchase a textbook from the college-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

Withdrawal Policy: Students may withdraw from this course for any reason prior to the last eligible day for a "W" grade. Before withdrawing students should speak with the instructor and consult an advisor. Students are permitted to withdraw only six times during their college career by state law. The last date to withdraw from the 1st 8-week session is October 5. The last date to withdraw from the 16-week session is November 18. The last date to withdraw for the 2nd 8-week session is December 1.

FN Grading: The FN grade is issued in cases of *failure due to a lack of attendance*, as determined by the instructor. The FN grade may be issued for cases in which the student ceases or fails to attend class, submit assignments, or participate in required capacities, and for which the student has failed to withdraw. The issuing of the FN grade is at the discretion of the instructor. The last date of attendance should be documented for submission of an FN grade.

Early Alert Program: The Student Success Center at College of the Mainland has implemented an Early Alert Program because student success and retention are very important to us. I have been asked to refer students to the program throughout the semester if they are having difficulty completing assignments or have poor attendance. If you are referred to the Early Alert Program you will be contacted by someone in the Student Success Center who will schedule a meeting with you to see what assistance they can offer in order for you to meet your academic goals.

Resources to Help with Stress:

If you are experiencing stress or anxiety about your daily living needs including food, housing or just feel you could benefit from free resources to help you through a difficult time, please click here <https://www.com.edu/community-resource-center/>. College of the Mainland has partnered with free community resources to help you stay on track with your schoolwork, by addressing life issues that get in the way of doing your best in school. All services are private and confidential. You may also contact the Dean of Students office at deanofstudents@com.edu or communityresources@com.edu.
