Attendance Policy: Every class is important to your success in school. Make every effort to attend all classes. A sign in sheet will be provided in each class. Each student must sign themselves in and out daily. If a student misses more than half the class period, the grade will reflect an absence. Any time missed will affect the total

number days required for completion. Attendance grades are calculated as follows: Each tardy is 5 points off the attendance grade. Each absence is 10 points off the attendance grade.

If a student misses more than 4 absences, they will be dismissed from the course, according to College of the Mainland policies. All courses must be completed and passed with a C or better to be able to advance to the next courses and to be able sit for the licensor exam. It is the student's responsibility to understand the course requirements and maintain sufficient attendance and work completion.

Tardiness Policy: Entering the class after the time class begins is counted as a tardy. Entering the class after the halfway mark of the class is counted as an absence. Every four tardies equals one absence.

Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook. <https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf. *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.* https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf

We will no longer enforce any COM protocol that requires face coverings. We continue to encourage all members of the COM community to distance when possible, use hygiene measures, and get vaccinated to protect against COVID-19. Please visit com.edu/coronavirus for future updates.

Contagious Illnesses: In the event a student contracts a contagious illness, such as COVID 19 or strep, the following steps can be utilized to avoid being withdrawn for excessive absences.

1. For COVID 19, self-report on the COM website. Follow the instructions given.
2. Email the instructor with a copy of a doctor's note stating that you may not attend school, with dates and your name. (Any days missed prior to this will count toward total absences)
3. Once the instructor receives the doctor's note, they will email the student (to COM email) instructions on assignments that can be completed from home. These will be assigned on a case-by-case basis. Communicate with your instructor about this. If these assignments are completed by the due date, the days missed will not count toward your absences.

Exposure / Quarantine: In the event a student has been exposed to COVID 19 and must quarantine, the following steps can be utilized to avoid being withdrawn for excessive absences.

1. Self-report on the Com website. Follow instructions given.
2. Email your instructor and inform them how many days you must quarantine.
3. The instructor will email the student (to COM email) instructions for attending class virtually via Teams or Zoom, and on assignments that can be completed from home. These will be on a case-by-case basis. If the student attends class virtually and assignments are completed by the due date, the days missed will not count toward your absences.
4. Should the student become ill while quarantined, communicate that to the instructor. Adjustments may be made to the assignments.

IMPORTANT: Eligibility for an occupational license may be impacted by one's criminal history. Students with a criminal history should confer with faculty or the department chairperson. Students have a right to request a criminal history evaluation letter from the applicable licensing agency.

Notice to Students Regarding Licensing: Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following

website provides links to information about the licensing process and requirements: www.tdlr.texas.gov Should you wish to request a review of the impact of criminal history on your potential TDLR Cosmetology Operator Certificate which leads to testing for licensure, prior to or during your quest for a certificate, you can visit www.tdlr.texas.gov and request a "Criminal History Evaluation": This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Disclaimers/Additional Policies: Instructors may, at their discretion, withdraw a student due to lack of attendance, or the inability to maintain the prescribed minimum rate of progress (70% test average) stated in the course syllabus. Also, any behavior detrimental to the learning process of the student or class. Students should be familiar with the Cosmetology Welcome Packet & Student Expectations.
