ISBN: 978-0-357-71630-4

Textbook Purchasing Statement:

A student attending College of the Mainland is not under any obligation to purchase a textbook from the college-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

Course Description:

This course explores leadership and its relationship to management. Prepares the student with leadership and communication skills needed to motivate and identify leadership styles.

Course Requirements:

The course is divided into four sections. For all tasks, please refer to the Schedule of Activities for due dates, point values, and other information.

Tests

Four tests (in BrightSpace) will be covering the chapters in the textbook. **Face-to-face students will be administered these tests in the classroom using BrightSpace D2L.** A list of the chapters covered by each test is provided in the Schedule of Activities. Each test has 50 questions. Once you have started the test it cannot be stopped and restarted no matter what the circumstance. **The test will automatically close at the time shown in the schedule of activities. It is your responsibility to monitor your time while taking the test.** Only one attempt will be allowed per test. No retakes are allowed.

Quizzes

There are **15 Chapter Quizzes (in BrightSpace)**. You have no time limit on these quizzes, and you are allowed three attempts. Your highest score will be automatically accepted as your grade for that quiz. These quizzes are designed to be a study aid to help you prepare for the tests.

Discussion Board

A single **Discussion Board (in BrightSpace)** with **weekly engagement postings will be required.** Unlike traditional discussion boards, not every student needs to start a conversation nor make an initial posting. You may just continue or add on to an existing posting- participation and engagement are the focus.

Students will reflect on course concepts, make connections, and think critically resulting in deeper learning. Topics may be open a few weeks or all semester long. Each week, students earn points for the quality, content, and relevance to the topic. **Be sure to use the rubric attached within the course.**

Projects

A **Leadership Case Study (in BrightSpace)** will be required. You will be given a leadership case study to read and consider. Responses will be written in a template provided for use in answering the questions. **Be sure to use the rubric attached within the course**

You will be required to create a **Leadership Video Presentation (in BrightSpace)**. The assignment entails the creation of a presentation about a leader and their style. The presentation will require a video of you presenting the material which will be uploaded to the BrightSpace assignment area. **Be sure to use the rubric attached within the course.**

Please refer to the grading rubric for additional guidance on expectations.

Missed work immediately receives a "0". Students are responsible for contacting the instructor about making it up. Make-up work will be determined on a case-by-case basis in a manner that the instructor deems fair and equitable to the entire class. Late work normally receives a 20% penalty.

- **If accepted**, the final day for auto-graded late work will be the day prior to the last day of class.
- **If accepted**, the final day for manually graded late work will be the Sunday prior to the last day of class.

Extra Credit/Bonus Points:

- **40 bonus points** (4% of final grade) are available for scheduling (online or face-to-face) and completing a 1-hour meeting with the Tutoring Center on APA format citing. Bonus points will be added in the gradebook **once the student forwards the confirmation email** to the instructor, received from the Tutoring Center, confirming that a worthwhile and successful APA format learning session has taken place. Students may schedule more than one learning session, but the bonus points will only be applied once. **APA format is required for the Leadership Case Study and the Leadership Video presentation.** Writing Resources, including appointment scheduling for Tutoring Center, are located at: <https://www.com.edu/tutoring/writing-resources.html> APA format templates are available through the College of the Mainland Office 365 tools (<https://www.com.edu/sso>).

Graded Assignments/Feedback/Gradebook:

The following expectations apply to all Business/Accounting department courses regardless of modality.

Auto graded exams and quizzes should be available for immediate review by the students. **Manually graded assignments (discussion boards and projects) will typically be graded and returned within one week from the due date.** Feedback, if any, will be listed within the attached rubric. Accepted late work will be returned in a timely manner as instructor's availability allows.

Students should monitor their overall grade within the D2L gradebook for current point totals.

Attendance Policy:

Students will receive credit for attending the class each week if present in the classroom. The last date of attendance will be the last date the student attended class in the physical classroom. Attendance will be tracked in the gradebook.

Attendance in an Internet-driven course is based on the timely submission of weekly assignments. Attendance will be taken each week as determined by the reporting functions in BrightSpace D2L.
