If the student completes on their third attempt, the student would earn a grade of 80%. Should the competency not be passed with an 80% or higher, the student will be required to repeat the course. Competency evaluations are averaged at the end of term for the student’s final grade. A student must receive a “C” (75%) or better”. If a student receives a grade of a “D”, or “F” for the same MDCA course on two occasions, the student will not be eligible to continue in the Medical Assistant Program*

### Institutional Policies and Guidelines

**Grade Appeal Process:** Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook [https://www.com.edu/student-services/docs/Student\\_Handbook\\_2023-2024\\_v2.pdf](https://www.com.edu/student-services/docs/Student_Handbook_2023-2024_v2.pdf). *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.*

**Nondiscrimination Statement:**

The College District prohibits discrimination, including harassment, against any individual on the basis of race, color, religion, national origin, age, veteran status, disability, sex, sexual orientation, gender (including gender identity and gender expression), or any other basis prohibited by law. Retaliation

against anyone involved in the complaint process is a violation of College District policy.

**Student Conduct Policy:** College of the Mainland requires that students enrolled at COM be familiar with the Standards of Student Conduct, which can be found in the on-line Student Handbook. <http://www.com.edu/student-services/student-handbook.php>. Students are expected to be familiar with and abide by the Student Code of Conduct. Online students should act in a professional manner at all times. Electronically disruptive students will be held accountable according to college policy. Any violations of the Code of Conduct will result in a referral to the Dean of Students and may result in dismissal from this class.

**Plagiarism Policy:** Plagiarism is using someone else's words or ideas and claiming them as your own. Plagiarism is a very serious offense. Plagiarism includes paraphrasing someone else's words without giving proper citation, copying directly from a website, and pasting it into your submission, or using someone else's words without quotation marks. Any assignment containing plagiarized material will receive a **grade of zero**, and the student will be referred to the Dean of Students for the appropriate disciplinary action. This includes copying another student's post on discussion boards. If you use outside resources, cite them. In this course you may not use AI for any assignment in any way, shape, or form. Use of AI will be treated as plagiarism. **Use of Artificial Intelligence (AI):** Any assignment containing material generated by Artificial Intelligence (AI) will receive a **grade of zero** and the student will be referred to the Office of Student Conduct for appropriate disciplinary action.

**Personal technology issues are not a valid excuse for not completing assignments.** Tablets and cellular phones are highly discouraged when attempting quizzes and exams. Work on assignments early during the grading week and contact the instructor if you have issues. Give the instructor a reasonable amount of time to respond – reasonable is 24 hours. The final exam **will not** be re-opened.

### **Course Communication:**

**Messaging: Online course communication will be conducted through the Brightspace/D2L Messages tool.** The Course E-mail link is located in the Course Menu Bar. Any email sent to the instructor outside of Brightspace will be answered inside of Brightspace email only. You must monitor and respond to instructor initiated Brightspace e-mail within 2 business days. The instructor will likewise monitor and respond to Brightspace student-initiated e-mail within 2 business days at a minimum. Business days do not include weekends or during periods when COM is officially closed. Email sent to the instructor by entities outside of the Medical Assistant Department on behalf of students will be answered within 3-5 business days.

Feedback on graded activities will typically be provided within 1 week of the submission. Feedback on Quizzes and Exams is provided immediately upon submission on Brightspace by accessing the My Grades tool on the Course Menu Bar.

**Course Delivery & Expectations:** All class time for this course will be spent interacting with course

content via Brightspace primarily by reviewing the Learning Module content; exploring supplemental multimedia; self-assessments such as learning games and publisher chapter practice quizzes; completing weekly quizzes; and posting a response to discussion prompts or weekly group discussions.

To successfully complete this course, you will need to plan to spend at least 6 hours per week interacting with course content.

### **Success Tips for Students:**

Interaction Expectations: Because this is an online course, all of the weekly allotted time (at least 6 hours) for this course will be spent interacting with course content via Brightspace primarily by completing weekly quizzes, posting responses to discussion prompts or group case studies, and by reviewing the Learning Module content.

Additionally, this means students must take more initiative for their own learning and employ good time management and organizational skills. Students also need to take more initiative in asking questions about anything they do not understand about the course, the content or graded assignments.
