## DETERMINATION OF GRADE

### Grading System

Items	Points	% Of Grade	Location
Project 1 Creative Brief	50	5	Hybrid
Project 1 Logo	350	35	Face to Face, Hybrid
Project 1 Business Package ( <i>business card, letterhead, envelope</i> )	200	20	Face to Face, Hybrid
Project 1 Social Media	100	10	Face to Face, Hybrid
Project 1 Applications	100	10	Face to Face, Hybrid
Project 1 Billboards	200	20	Face to Face, Hybrid
<b>Total</b>	<b>1000</b>	<b>100</b>	

*Please Note: (grades and projects subject to change)*

**\*Because you are allowed to make changes in your designs until the end of the last week, grading is done during the final week. You will not know your project grades or final grade until the course is over.**

**This mimics our industry by allowing you to work until the client deadline.**

**If you have concerns about your grades or feel that you may be in danger of failing, you should see your instructor immediately for a review of your work. To help keep you on task refer to the Art Direction Grade Sheet in D2L and use it as a personal checklist, follow all weekly requirements as published in this document. If you fall behind it will affect your designs and grades.**

*All typos will represent -5 points. (Typos include misspelled words, superfluous words/letters, extra spaces, double returns, etc.)*

In an effort to give back to our community, and give students real-world client experiences, we may take on a "real community" project. This changes from semester to semester, but if the instructor has the opportunity to work with a "real client" we will. Grading will be realigned to

the outcomes of that project, and students will be made aware of changes via blackboard grade center and class discussion.

In the classroom as in business, the need may arise for students to go beyond the given instructions or directions. Therefore, additional resources will be helpful to the student. These may include additional Lynda.com videos, textbook resources in the studio area, videos, help from classmates and instructor.

**Grading Scale:**

90 - 100% = A

80 - 89% = B

70 - 79% = C

60 - 69% = D

Any grade below 60 is an F

\*Remember that a grade of C is required to continue in most graphic art courses.

**Late Work, Make-Up, and Extra-Credit Policy:** Late and/or make-up Exams or Assignments are not allowed without the previous consent of the instructor. Any deviation from this policy would be only for extenuating circumstances, which are substantiated and approved as a special case by the instructor at the request of the student. These circumstances need to be communicated to the instructor as soon as possible.

*All instruction missed is the responsibility of the student.*

*All work given a deadline will include -10 points for late work.*

*If given makeup or retake tests will include -10 points.*

**Attendance Policy:** Roll will be taken each class period; 100% attendance is expected. More than 3 missed classes may result in a student being dropped from the course. The only exception to this rule is death within the immediate family or a note from the Doctor. Students missing more than 2 class days will drop one letter grade at the end of the semester. For example, an A student will drop to a B, a B student will drop to a C, and a C student will drop to a D.

**Tardiness:**

Tardiness after 15 minutes is considered an absence.

**Communicating with your instructor:** ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means.

**Student Learner Outcomes:** Upon successful completion of this course, students will:

## Institutional Policies and Guidelines

**Grade Appeal Process:** Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook [https://www.com.edu/student-services/docs/Student\\_Handbook\\_2023-2024\\_v2.pdf](https://www.com.edu/student-services/docs/Student_Handbook_2023-2024_v2.pdf). *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.*
