GRADING SCALE	
Grade	Points Earned
A	900-1000
B	800-899
C	700-799
D	600-699
F	600 OR BELOW

HOW TO CALCULATE YOUR GRADE during the semester:

(Points Earned / Points Possible) X 10

Example: You have earned 180 out of 200 possible points so far in the class. You would calculate your current numeric grade by dividing 180 by 200 and then multiplying the result by 100:

$180/200 = 0.9 \times 100 = 90 \rightarrow$ Your current numeric grade would be 90%. Ultimately your final grade will be based upon the points values found on the previous page.

Course Requirements:

- **Syllabus Quiz:** This quiz will test you on the information found in the syllabus (50 points).
- **Scavenger Hunt:** This will give you the opportunity to learn about campus resources and how to utilize them (50 points).
- **Study Guides:** For each chapter in your textbook (Chapters 1-7), you are responsible for completing a study guide in the formats specified in the chart below (7 x 25 points each = 175 total points). Information about the study guide formats can be found in the *Appendix* of the textbook.

Chapter	Study Guide Format	Chapter	Study Guide Format
1	Sentence	5	Flashcards
2	Outline	6	Sketchnoting
3	Concept Map	7	Cornell
4	Highlight		

- **Career Project (Parts 1-5):** You will initially choose two potential careers to investigate (Part 1; 25 points), which you will then compare and contrast in an effort to pinpoint one career that is a “best fit” for you (Part 2; 25 points). You will consider the role of social responsibility in your chosen career (Part 3; 25 points) and how you will use the information from each of the textbook chapters to be successful in this career (Part 4; 25 points). Finally, you will prepare an oral/visual (video) presentation to share with your peers (Part 5; 100 points).
- **Discussion Board Posts (15):** For each discussion board post assignment, you will choose ONE of the discussion questions indicated from the chapter to respond to (20 points). You must also submit a reply to at least one other student’s post (5 points).
- **Campus Connections:** This assignment will require you to meet with your advisor and either get tutoring OR attend a campus event (100 points).
- **Academic Planning:** You will either investigate a university you want to transfer to OR investigate the next steps to graduating from COM (25 points).
- **Financial Literacy:** You will investigate how to manage money and financial skills (25 points).

Late Work & Make-Up Policies: No late work will be accepted but under extreme circumstances, late work *might* be accepted at the discretion of the instructor, *if students contact the instructor as soon as possible (before the deadline)*. Technological issues are not an acceptable excuse for a late assignment.

Assignment Submission & Extra Credit Policies: **Assignments must be submitted to D2L as .doc/.docx (Word), .pdf, or .jpeg files.** It is your responsibility to double-check after submitting an assignment to ensure the correct document was submitted and in the correct file format, on time (resubmit the correct document immediately, if needed).

Attendance & Classroom Conduct Policies: Although this is an online course, regular “attendance” and participation are critical to being successful. This course is conducted entirely online, which means that you must be diligent about working on assignments to meet the deadlines.

It is expected that everyone treats each other with mutual respect. In an online class, we demonstrate respect to one another by being mindful of the words and tone used in online correspondence (i.e., emails, discussion board). Online discussions in this course may include sensitive topics. It is ok to disagree with others, but it is not ok to verbally attack someone because of their ideas or beliefs.

Communicating With Your Instructor: **ALL electronic communication with the instructor must be through your COM email.** Due to FERPA restrictions, faculty cannot share information about performance in the class through other electronic means. Students are expected to check their COM email and D2L course page regularly. Communicate with your instructor in a timely manner so that your instructor can best help you. Your instructor should respond within 24-48 business hours (excludes weekends and holidays).
