**Determination of Course Grade/Detailed Grading Formula:**

The following grading scale will be used to determine all individual grades as well as the over all grade in the course:

A 90%-100% ( Exceptional Quality Work)

B 80%-89% (Above Average Quality Work)

C 70%-79%(Average Quality Work)

D 60% -69% (Below Average Quality Work)

F 0%-59% (Fails to Meet Acceptable Expectations in Quality of Work)

(methods of evaluation to be employed to include a variety of means to evaluate student performance)

**Design Project 30%      Class Participation:10%**

**Final Project: 60% (final project grade is based on total construction skills demonstrated on all assigned sewing projects)**

**Late Work, Make-Up, and Extra-Credit Policy:**

Make-up work for excused absences must be student initiated and completed the day the student returns to class (during class time only). 30 points will be subtracted on the day the student returns to class, if the missed assignment is not made up. 30 points will be cumulatively subtracted from the grade for each day thereafter until make-up work is completed, or the grade reaches a zero. It is not the responsibility of the instructor to initiate course make-up work.

**Not presenting material when asked in class and/or as a result of unexcused absences, will result in a zero, and cannot be made up. Showing up to class saying, “I didn’t know I was absent. ” is not an excuse!** Students should make contact with other students in the class and/or consult course handouts to find out what was missed during an absence. The instructor will cover lectures and materials only once. All assignments are due before the class lecture/discussion begins. Submitting assignments during class on the day that it is due, but after roll is taken, will result in lowering the grade by 10 or more points. Some assignments may not be accepted as a result of a tardy and/or absence. PLEASE NOTE: Make-up work will not be accepted for unexcused absences.

**Attendance Policy:**

In recognition of the importance of regular attendance, the college does not allow any "cuts" on the part of the students, nor does it allow instructors to give "walks." An accurate record of each student's absence will be kept. Students are expected to attend class and to arrive on time. Absences will be recorded on the days of the lectures/discussions/labs, and any other days that the instructor deems necessary. These absences will not directly affect the student's overall grade but may influence individual assignments.

**ALL STUDENTS MUST ATTEND THE FINAL.** Failure to attend the final will result in an “F” for the class.

Excused absences will be given at the instructor's discretion, but only with some form of hardcopy documentation. It is best to discuss potential absences with your instructor before it is taken.

At the point that a student is absent for 8.33 percent of the contact hours of the course, the instructor may, at his/her own discretion, withdraw the student. Do not just stop attending class and not withdraw, the instructor may not withdraw you. An instructor also may drop a student when, in the opinion of the instructor, a student has accumulated absences (including excused absences) to such an extent that there is no reasonable expectation that the course can be completed successfully. Students wishing to drop courses must drop themselves over the web. Faculty will not drop students.

**Tardiness Policy:**

**Tardies, however, will directly affect the student's overall grade.** Arriving to class after roll has been called or a test has been given out is considered a tardy. After three tardies, the Instructor may drop the student from the class.

**Communicating with your instructor:** ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. (Faculty may add additional statement requiring monitoring and communication expectations via D2L or other LMS)

**Plagiarism:** Plagiarism is using someone else’s words or ideas and claiming them as your own. Plagiarism is a profoundly serious offense. Plagiarism includes paraphrasing someone else’s words without giving proper citation, copying directly from a website and pasting it into your paper, using someone else’s words without quotation marks. ## **Institutional Policies and Guidelines**

**Grade Appeal Process:** Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook [https://www.com.edu/student-services/docs/Student\\_Handbook\\_2023-2024\\_v2.pdf](https://www.com.edu/student-services/docs/Student_Handbook_2023-2024_v2.pdf). *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.*
