

**PSYCH 2301.331IN  
General Psychology  
SPRING 2024**

**Instructor Information:** Jennifer Abshire, M.A.  
[jabshire3@com.edu](mailto:jabshire3@com.edu)

**Student hours and location:** M/W 11:00 – 12:00 Gym office #123. Virtual hours by appointment.

**Required Textbook/Materials:** *Psychology 2e* (OER)

**Course Description:** This is an introduction to the field of psychology, dealing with such topics as the scientific method and theories, neuroscience and behavior, perception, consciousness, learning, memory, intelligence, motivation, emotion and stress, personality, psychological disorders, and therapy.

**Course requirements**

**Chapter Reviews:** There will be 15 Reviews due weekly throughout the semester. Details can be found in D2L.

**Discussions:**

Discussions represent the interactive component of this course. The graded topics are related to the readings, presentations, and/or current events taking place in psychology today. These forums are a way of exchanging information with your fellow students. You will receive a grade for your thoughtful participation in the discussions associated with each of the topics. Remember you need to be able to support your position with knowledge and research on a particular topic with reliable sources. “Participation” means that for each topic, you should post an Initial Post as well as a Response Post to 1 other student for full credit. 5 points will be taken off for not creating a response post. **Please note that some points may be deducted if the posts are insufficient.**

**There is not a word count – quality over quantity!** Graded course Discussions employ a “post first” setting that requires students to post their Initial Post before gaining access to read other students’ posts. Attempts to subvert this setting by submitting a blank initial post, or by any other methods will result in a grade of “0” for the unit discussion. All graded discussion posts are due by 11:59pm on the due date listed on the course schedule.

### Ground Rules for Online Discussion:

1. We will respect each other's' confidentiality at all times. Though it is unlikely that sensitive personal information will be discussed in this course, please be aware that any personal information revealed on D2L must be held in strict confidence.
2. In the interest of promoting critical thinking, and serious discussion, students should be prepared to have their views challenged by the instructor and/or fellow students. Respect the right of others to have differing beliefs and attitudes. We do not all have to agree. However, we do need to be respectful in the way we disagree.
3. Disruptive behavior, which interferes with teaching and/or learning, will not be tolerated.

**Mini projects:** There will be a variety of mini projects expanding on the concepts covered in class. These will be turned into D2L by the dates given.

### **Social Responsibility Presentation:**

Your grade will be determined by product and presentation for both choice 1 or 2. Three reputable resources will be needed.

**Choice 1:** Think of a problem in society that concerns you (ex. texting while driving). Create a 3-slide power point. Slide one will be your 'billboard' that defines the problem and advertises your stance. Why should others care about your concern? Slide 2 will be your *researched* suggestions to help solve the problem. Slide 3 will be your three references.

**Choice 2:** Think of an organization you want to bring awareness to. Slide 1 will be the billboard that explains the organization and why they need support. Make sure the name and what they do is clear. Slide 2 will be details about organization – are they a non-profit/how much do they give back/statistics about them. Slide 3 will be your three references.

**This will be a PowerPoint Presentation with voice recording. Your device must have a microphone enabled in order to record audio::**

**Select Record Audio. Type in a name for your audio file, select Record, and then speak. To review your recording, select Stop and then select Play. Select Record to re-record your clip or select OK if you're satisfied. To move your clip, select and drag the audio icon to where you want it on the slide.**

### **Critical Thinking Research Oral Presentation Final Project:**

You will conduct your own research that stems from your Social Responsibility Project. You can take your research in any direction you choose. The research should look objectively at both sides of an argument/topic, and you will present your findings in an unbiased manner at the end of the semester with a video presentation.

As you prepare to complete this presentation assignment, you may want to utilize the Speaking, Reading, and Writing Center. You must make an appointment to use the Speaking Booths or to work with a tutor on oral communication. Contact the [Tutoring Center](https://www.com.edu/tutoring), (<https://www.com.edu/tutoring>), for more information on obtaining assistance. Videos must be

saved and uploaded in one of the following formats: .avi, .m4v, .mp4, or .wmv. **Videos saved in any other format may not be viewable by the instructor.** If you need assistance, please contact the Education Technology Department for help by filling out a Support Ticket.

**Determination of Course Grade/Detailed Grading Formula:**

Assignments	Possible Points	Letter Grade	Points Possible
15 Chapter Reviews (25pts each)	375	A	900-1000
6 Mini Projects (50pts each)	300	B	800-899
10 discussions (15 pts each) Introduction (10pts)	150	C	700-799
Critical Thinking Research	100	D	600-699
Social responsibility Project	75	F	599 and below
<i>Extra Credit – course evaluation</i>	20		
Total Points	1000		

**Late Work, Make-Up, and Extra-Credit Policy:**

20% will be deducted from Chapter Reviews and projects if late. Completing the course evaluation given by the college at the end of the semester will add 20pts to your final point total.

**Attendance Policy:**

If you want to pass, come to class 😊. In an online environment, this means that you are **expected to log into the course a minimum of 3 times per week.** You should expect to spend several hours a week in the course reviewing lessons, and other course material, and completing assignments, and discussions. The discussion component of the course also requires you to engage your fellow students in “conversation,” which requires you to regularly read and respond to posts.

**NOTE:** If for any reason the college closes, continue to work on the assignments spelled out in your syllabus and refer to D2L for further instructions.

**Communicating with your instructor:** ALL electronic communication with the instructor must be through your COM email. I generally respond to emails within 24-48 hours, weekends and holidays excluded. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. The best way to reach me is by email - [jabshire3@com.edu](mailto:jabshire3@com.edu) or make an appointment for virtual office hours if you cannot make it to campus.

**Academic Dishonesty:** Any incident of academic dishonesty will be dealt with in accordance with college policy and the Student Handbook. Academic dishonesty – such as using AI to write any assignments, copying someone else’s Reviews or projects is an extremely serious offense and will result in a **grade of zero** on that assignment and the student will be referred to the Office of Student Conduct for the appropriate discipline action.

**Student Concerns:** If you have any questions or concerns about any aspect of this course, please contact me using the contact information previously provided. If, after discussing your concern with me, you continue to have questions, please contact Department Chair Shinya Wakao at [swakao@com.edu](mailto:swakao@com.edu) or 409-933-8107.

**Disclaimers/Additional Policies:**

**Technology Compliance Policy**

This class uses a Learning Management System called D2L Brightspace for lectures, assessments, and other course-related materials and links. Each student must maintain Internet access throughout the duration of this course. Additionally, students are expected to maintain a state of technical compliance, including (but not limited to):

- up-to-date browsers,
- multiple (minimum of 2) browsers (recommended: Chrome & Firefox),
- appropriate and adequate computer hardware,
- a stable Internet connection,
- and other up-to-date software as required by the instructor.

Computer and internet access are necessary to complete assignments. If you do not have your own computer and internet access, you may utilize the computers in the Computer Lab and the library.

You are expected to be familiar with the technology and software used for this course, including the D2L Brightspace Learning System and any word-processing technology.

You are expected to be able to upload assignments in the proper file format according to assignment directions without instructor assistance. Problems with technology, including computer problems and power outages, will not justify extending the deadline unless the issue is with the college network.

In the event you experience a technology problem or error, it is your responsibility to communicate with your instructor as soon as possible using a working form of technology, via email at [jabshire3@com.edu](mailto:jabshire3@com.edu). If you experience any technology problems or errors with college software (D2L, etc.), notify the DE department at College of the Mainland (COM) by submitting a ticket as soon as possible. Make a screenshot of the error and email it to your instructor as well as the Distance Education Helpdesk. Contacting COM's Distance Education department can be accomplished by submitting a ticket at <http://de-support.com.edu/requests>.

**Success Tips for Students**

1. **Read your syllabus**, re-read your syllabus, don't lose your syllabus 😊
2. **Don't procrastinate**. Determine the amount of time you are going to need to spend on each portion of the course. Make sure you give yourself enough time to complete the assignments.
3. **Stay organized** & dedicate a quiet workspace to complete course readings, assignments, quizzes, and exams.
4. Break readings & course work down into **manageable goals**. Set personal deadlines and

stick to them.

5. **Create a calendar of due dates** for this and all your courses using a digital calendar (Google calendar, smartphone calendar, etc.) or an old-fashioned paper.
6. Follow the Course Schedule 😊

## Institutional Policies and Guidelines

**Grade Appeal Process:** Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook [https://www.com.edu/student-services/docs/Student\\_Handbook\\_2023-2024\\_v2.pdf](https://www.com.edu/student-services/docs/Student_Handbook_2023-2024_v2.pdf). *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor’s professional judgment of the quality of the student’s work and performance is also not an admissible basis for a grade appeal.*

**Academic Success & Support Services:** College of the Mainland is committed to providing students the necessary support and tools for success in their college careers. Support is offered through our Tutoring Services, Library, Counseling, and through Student Services. Please discuss any concerns with your faculty or an advisor.

**ADA Statement:** Any student with a documented disability needing academic accommodations is requested to contact Kimberly Lachney at 409-933-8919 or [klachney@com.edu](mailto:klachney@com.edu). The Office of Services for Students with Disabilities is located in the Student Success Center.

**Textbook Purchasing Statement:** A student attending College of the Mainland is not under any obligation to purchase a textbook from the college-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

**Withdrawal Policy:** Students may withdraw from this course for any reason prior to the last eligible day for a “W” grade. Before withdrawing students should speak with the instructor and consult an advisor. Students are permitted to withdraw only six times during their college career by state law. The last date to withdraw from the 1<sup>st</sup> 8-week session is February 28. **The last date to withdraw from the 16-week session is April 22.** The last date to withdraw for the 2<sup>nd</sup> 8-week session is May 1. The last date to withdraw for spring mini session is May 29.

**FN Grading:** The FN grade is issued in cases of *failure due to a lack of attendance*, as determined by the instructor. The FN grade may be issued for cases in which the student ceases or fails to attend class, submit assignments, or participate in required capacities, and for which the student has failed to withdraw. The issuing of the FN grade is at the discretion of the instructor. The last date of attendance should be documented for submission of an FN grade.

**Early Alert Program:** The Student Success Center at College of the Mainland has implemented an Early Alert Program because student success and retention are very important to us. I have been asked to refer students to the program throughout the semester if they are having difficulty completing assignments or have poor attendance. If you are referred to the Early Alert Program, you will be contacted by someone in the Student Success Center who will schedule a meeting with you to see what assistance they can offer in order for you to meet your academic goals.

### **Resources to Help with Stress:**

If you are experiencing stress or anxiety about your daily living needs including food, housing or just feel you could benefit from free resources to help you through a difficult time, please click here <https://www.com.edu/community-resource-center/>. College of the Mainland has partnered with free community resources to help you stay on track with your schoolwork, by addressing life issues that get in the way of doing your best in school.
