Attendance Policy:

In recognition of the importance of regular attendance, the college does not allow any "cuts" on the part of the students, nor does it allow instructors to give "walks." An accurate record of each student's absence will be kept. Students are expected to attend class and to arrive on time. Absences will be recorded on the days of the lectures/discussions/labs, and any other days that the Instructor deems necessary. These absences will not directly affect the student's overall grade, but may influence individual assignments.

Excused absences will be given at the Instructors discretion, but only with some form of hardcopy documentation. It is best to discuss potential absences with your Instructor before it is taken.

Tardiness Policy: Tardies, however, will directly affect the student's overall grade. Arriving to class after roll has been called or a test has been given out is considered a tardy. After three tardies, the Instructor may drop the student from the class.

ALL STUDENTS MUST ATTEND THE FINAL. Failure to attend the final will result in an "F" for the class.

Communicating with your instructor: ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means.
