Attendance Policy: Every class is important to your success in school. Make every effort to attend all classes. A sign in sheet will be provided in each class. Each student must sign themselves in and out daily. Excessive absences in either lecture or lab will result in a dismissal from the scheduled class. Students arriving late (after 5:15pm) or leaving early (before 9pm) or before class is dismissed, is considered a tardy. Tardies result in a grade of 50, and absences a zero for the day. Any student missing more than an hour of class per day, will be counted absent. Any time (tardies or absences) past 4 absences, will result in being dropped from the class. Any student not in proper uniform will be sent home and absence or tardy will count toward the grade of both professionalism & attendance. Any student missing their assigned client day will also result in a zero for professionalism as well as attendance. If you will not be able to come in for your client, you MUST find an alternate student to take your client, otherwise your professional grade will result in a zero.

Communicating with your instructor: ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook. <https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf. *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.* https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf

Notice to Students Regarding Licensing: Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements: www.tdlr.texas.gov Should you wish to request a review of the impact of criminal history on your potential TDLR Cosmetology Operator Certificate which leads to testing for licensure, prior to or during your quest for a certificate, you can visit www.tdlr.texas.gov and request a "Criminal History Evaluation": This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.
