**Textbook:** Edwards, Hunderaker, et all, *America's History Concise Edition*, 9<sup>th</sup> Edition. Reading assignments are listed on the last page of the syllabus. Material drawn from the textbook will account for 10 – 20% of each exam.

**Course Information:**

**Course Description:** A survey of the social, political, economic, cultural, and intellectual history of the United States from the Civil War/reconstruction era to the present. United States History II examines industrialization, immigration, world wars, the Great Depression, Cold War and post-Cold War eras. Themes that may be addressed in United States History II include: American culture, religion, civil and human rights, technological change, economic change, immigration and migration, urbanization and suburbanization, the expansion of the federal government, and the study of U.S. foreign policy.

**Determination of Grade:**

**Course Work Requirements:** This is a course that requires the student to attend lectures. Each lecture contains material that is not available in the textbook, material that the student is responsible for and will be tested upon; therefore, it is essential that students make a concerted effort to attend class. If a student is absent from class, they are responsible for acquiring the lecture notes from a classmate. Rigorous note taking and studying of lecture notes is expected if the student is to succeed in the class. In addition to attending lectures, students are expected to read the textbook assignment prior to attending the lecture on that subject.

**Exams:** There will be **four exams** during the semester with a value of **100** points each. Exams will be online through Blackboard for 70 points and an essay turned in online for 30 points. Exam material will be drawn from both lectures and assigned readings. Students should pay particular attention to terms in the study guides, which will be distributed prior to each exam. Each exam will consist of multiple-choice questions, short answer, map questions as well as a take home essay question. **There will be NO makeup tests given. If you miss a test your lowest test score for the semester will count twice. If you miss more than one test the other will be a 0. Exams address the following Core Objective: Critical Thinking.**

**Assessment Quizzes:** In addition to the four exams, there will be pop quizzes during the semester. Quizzes will be given in class for the most part, there may be some that are posted on Blackboard. The lowest **two** quiz scores will be dropped. Quizzes will be given in order to identify at-risk students. Once at-risk students are identified, a plan will be developed in conjunction with the student with the goal of improving their performance in the class. Quizzes will count for a total of 100 points. **Quizzes cannot be made up. Quizzes address the following Core Objective: Critical Thinking.**

**Discussion Posts:** Each week you will be responsible for reading primary documents and posting comments on the discussion boards on BlackBoard. These discussions will address the readings and will incorporate reading and class discussion. Each week there will be a different question posted that you will need to respond to. This will account for 50 points or 5% of your total grade. Primary documents will be posted on BlackBoard and these are the documents that you need for the discussion posts. You will read the documents for that discussion and post a comment (needs to be about a paragraph) on the documents, what did the document say, what was its purpose and how did it fit into our class discussions. You will also need to comment on at least one other persons post.

## Institutional Policies and Guidelines

**Grade Appeal Process:** Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook. <[https://build.com.edu/uploads/sitecontent/files/student-services/Student\\_Handbook\\_2019-2020v5.pdf](https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf). *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.* [https://build.com.edu/uploads/sitecontent/files/student-services/Student\\_Handbook\\_2019-2020v5.pdf](https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf)
