

PTAC 1332-101C3 Process Instrumentation Fall 2024 8am-10:50am T-TH

Instructor Information:

Derrick Lewis dlewis22@com.edu 409-933-8607 Office

Students may also contact the COM PTEC Administrative Office to leave a message for the instructor by contacting:

instructor by contacting:

Patricia England, Administrative Assistant

Phone: 409-933-8536

E-Mail: pengland@com.edu

Student hours and location:

ICB suite 207 M-W 1pm 3:45pm T-Th 11am-12pm

If for any reason a student wishes to meet at another time, please contact me to set up an appointment outside of the blocked times posted

Required Textbook/Materials:

Process Instrumentation Second Edition (NAPTA/Pearson) ISBN-13: 978-0-13-521392-6

Course Description:

This is the introduction to chemical and refinery plant operations/instrumentation. Topics include process technician duties, responsibilities and expectations; plant organizations; plant process and utility systems; and the physical and mental requirements of the process technician. The student will relate an overview of a typical process plant; identify process equipment; state the purpose of equipment; describe safety, health, and environmental components; and describe the roles, responsibilities, and work environment. Prerequisite: CPT Reading 61.

Course requirements:

Students are required to participate in all in class and out of class activities and assignments.

Determination of Course Grade/Detailed Grading Formula:

Grades will be determined by Test 80% (test are timed), Quizzes 20% (quizzes are timed and given at instructors' discretion)

Late Work, Make-Up, and Extra-Credit Policy:

No late work will be accepted after the due date has passed (Test and Quizzes are included in this statement). Test make ups may be considered at teachers' discretion.

Attendance Policy:

Students are required to be in class on scheduled class days. Students who miss 6 classes during the semester may be dropped from the class. Please see Fn Grading below.

Much of the learning occurs in the classroom setting through lectures and labs. It is difficult to learn all the concepts simply by reading the course textbook. Class participation is essential to learning. Many of the class sessions cover topics that have no handouts. Good note taking is important to be successful in this class. Attendance is taken each class period and excessive missed classes (6) can result in the instructor dropping you from the course.

Coming to class late (more than 30 minutes) will be counted as an absence. Also, leaving the class early (before being released by the instructor) may result in an absence.

Communicating with your instructor: ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. (Faculty may add additional statement requiring monitoring and communication expectations via D2L or other LMS)

Student Learner Outcome	Maps to Core Objective	Assessed via this Assignment
1. Define and use	*Critical Thinking	Homework, Exams, Quizzes
terminology		
2. Identify and describe	*Critical Thinking	Homework, Quizzes, Exams,
components, basic	*Communication-writing	Class attendance &
functions and scientific	*Personal Responsibility-	participation,
principles associated with	attendance	
process equipment		

Academic Dishonesty:

Any incident of academic dishonesty will be dealt with in accordance with college policy via the Student Handbook. Academic dishonesty – such as cheating on exams is an extremely serious offense and will result in a **grade of zero** on that exam and the student will be referred to the Office of Student Conduct for appropriate discipline action. IN OTHER WORDS, "If the student is caught cheating on any classwork of any kind, they get an immediate 0% for that grade. If two students copy each other's work, both get zeros."

Student Concerns

If you have any questions or concerns about any aspect of this course, please contact me using the contact information previously provided. If, after discussing your concern with me, you continue to have questions, please contact Derrick Lewis Department Chair <u>dlewis22@com.edu</u> 409-933-8706

Course outline:

Attached at the end of the syllabus

Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook https://www.com.edu/student-services/docs/Student Handbook 2024-

2025 v2.pdf. An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.

Academic Success & Support Services: College of the Mainland is committed to providing students the necessary support and tools for success in their college careers. Support is offered through our Tutoring Services, Library, Counseling, and through Student Services. Please discuss any concerns with your faculty or an advisor.

ADA Statement: Any student with a documented disability needing academic accommodations is requested to contact:

Kimberly Lachney, Student Accessibility Services Coordinator

Phone: 409-933-8919

Email: AccessibilityServices@com.edu

Location: COM Doyle Family Administration Building, Student Success Center

Textbook Purchasing Statement: A student attending College of the Mainland is not under any obligation to purchase a textbook from the college-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

Withdrawal Policy: Students may withdraw from this course for any reason prior to the last eligible day for a "W" grade. Before withdrawing students should speak with the instructor and consult an advisor. Students are permitted to withdraw only six times during their college career by state law. The last date to withdraw from the 1st 8-week session is October 2. The last date to

withdraw from the 16-week session is November 15. The last date to withdraw for the 2nd 8-week session is November 26.

FN Grading: The FN grade is issued in cases of *failure due to a lack of attendance*, as determined by the instructor. The FN grade may be issued for cases in which the student ceases or fails to attend class, submit assignments, or participate in required capacities, and for which the student has failed to withdraw. The issuing of the FN grade is at the discretion of the instructor. The last date of attendance should be documented for submission of an FN grade.

Early Alert Program: The Student Success Center at College of the Mainland has implemented an Early Alert Program because student success and retention are very important to us. I have been asked to refer students to the program throughout the semester if they are having difficulty completing assignments or have poor attendance. If you are referred to the Early Alert Program, you will be contacted by someone in the Student Success Center who will schedule a meeting with you to see what assistance they can offer in order for you to meet your academic goals.

Resources to Help with Stress:

If you are experiencing stress or anxiety about your daily living needs including food, housing or just feel you could benefit from free resources to help you through a difficult time, please click here https://www.com.edu/community-resource-center/. College of the Mainland has partnered with free community resources to help you stay on track with your schoolwork, by addressing life issues that get in the way of doing your best in school. All services are private and confidential. You may also contact the Dean of Students office at deanofstudents@com.edu or communityresources@com.edu.
