3. No Borrowing. Bring your supplies or go home, retrieve your supplies and return to school.

Late Work, Make-Up, and Extra-Credit Policy: Late work will be deducted 10 points for each day it is late. Any mindtap activities needing extended dates will be 10 points deducted for each request. Makeup work must be completed in a timely manner. It is your job to get your missed assignments the first day you return to class. The due date will be determined for the assignment at that time. If it is not turned in by the determined due date, it will be counted late and points are then deducted according to the late work policy.

Attendance Policy: The faculty believes that experiences in the classroom and laboratory cannot be adequately duplicated if a student is absent. In addition, the Skin Care / Cosmetology Programs are designed to teach professional work habits, such as attendance.

Excessive absences, four (4) days missed, in either lecture or lab will result in a dismissal from the program. Students who fail to show up on a Thursday, Client Lab Day without prior notification, will not receive a participation signature. As a result, lab skill sheet will be incomplete and will result in a number grade of “0”.

Communicating with your instructor: ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook. <https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf. *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor’s professional judgment of the quality of the student’s work and performance is also not an admissible basis for a grade appeal.* https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf

The issuing of the F_N grade is at the discretion of the instructor. The last date of attendance should be documented for submission of an F_N grade.

Contagious Illnesses

In the event a student contracts a contagious illness, such as COVID 19 or strep, the following steps can be utilized to avoid being withdrawn for excessive absences.

1. For COVID 19, self-report on the COM website. Follow the instructions given.
2. Email the instructor with a copy of a doctor's note stating that you may not attend school, with dates and your name. (Any days missed prior to this will count toward total absences)
3. Once the instructor receives the doctor's note, they will email the student (to COM email) instructions on assignments that can be completed from home. These will be assigned on a case-by-case basis. Communicate with your instructor about this. If these assignments are completed by the due date, the days missed will not count toward your absences.

Exposure / Quarantine

In the event a student has been exposed to COVID 19 and must quarantine, the following steps can be utilized to avoid being withdrawn for excessive absences.

1. Self-report on the Com website. Follow instructions given.
2. Email your instructor and inform them how many days you must quarantine.
3. The instructor will email the student (to COM email) instructions for attending class virtually via Teams or Zoom, and on assignments that can be completed from home. These will be on a case-by-case basis. If the student attends class virtually and assignments are completed by the due date, the days missed will not count toward your absences.
4. Should the student become ill while quarantined, communicate that to the instructor. Adjustments may be made to the assignments.

IMPORTANT: Eligibility for an occupational license may be impacted by one's criminal history. Students with a criminal history should confer with faculty or the department chairperson. Students have a right to request a criminal history evaluation letter from the applicable licensing agency.

Notice to Students Regarding Licensing: Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements: www.tdlr.texas.gov Should you wish to request a review of the impact of criminal history on your potential TDLR Cosmetology Operator Certificate which leads to testing for licensure, prior to or during your quest for a certificate, you can visit

www.tdlr.texas.gov and request a “Criminal History Evaluation”: This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.
