Student hours and location: Tuesday 8:00 am - 9:00 am; STEMS bld. #12 Room 235

Required Textbook: Medical Assisting, Both, Whicker, and Wyman Seventh Edition, McGraw-Hill Publisher. ISBN: 978-1-259-60854-4

Required Textbook: Student Workbook for Use with Medical Assisting, Booth, Whicker, and Wyman, Seventh Edition, McGraw-Hill Publisher. ISBN:978-1-260-47702-3

Course Description: Medical Office Procedures including appointments, scheduling, medical records creation and maintenance, phone communications, financial processes, coding, billing, collecting, third party reimbursement, credit arrangements, and computer use.

Course Prerequisite/ Co-requisite: Students must be enrolled in MDCA 1309, MDCA 1302, MDCA 1443 and HITT 1305 as co-requisites for this class.

Course requirements:

1. Log into Brightspace at least once a week to check for Announcements and e-mail, review the content and complete any graded course activities.
2. Complete and submit all graded activities within the time limit prescribed by the instructor. Graded activities and their due dates are indicated in the Course Schedule toward the end of this document but are subject to revision if circumstances (such as hurricanes) dictate.
3. **Maintain an average of 75% or better.** Students are responsible for submitting weekly graded activities within the date/time parameters indicated in the Course Schedule.

4. The mid-term and final exam will be administered as indicated on the Course Schedule.
5. Students must have a computer with a camera
6. Students must have all required skill procedures in order and completed for each semester.

This course requires classroom attendance (on campus). You will also be required to wear a uniform consisting of grape-colored scrubs and appropriate shoes.

Determination of Course Grade/Detailed Grading Formula: As a student you are required to complete all lessons, assignments, and tests as part of each course within the program. Your semester grade will be comprised of: Case studies, assignments, chapter quizzes, mid-term exam, and final exam. Grading rubric for assignments is found on the course menu. Quizzes and exams are self-grading by Brightspace/D2L.

Grading Formula: As a student you are required to complete all lessons, assignments, and tests as part of each course within the program. Your semester grade will be comprised of:

Grading Scale:

Assignments/Homework	20%	A = 90 - 100.00
Case Studies	15%	B = 80 - 89.99
Quizzes	15%	C = 75 - 79.99
Mid-Term	20%	D = 70 - 74.99
Final Exam	30%	F = 0% - 69.99%
Total	100%	

A student must receive a “C” (75%) or better.” If a student receives a grade of a “D”, or “F” for the same MDCA course on two occasions, the student will not be eligible to continue in the Medical Assistant Program.

The Medical Assisting program uses a competency-based evaluation process that provides the students with three attempts to pass. If the student completes a competency on their first attempt, the student will earn a grade of 100%. If the student completes on their second attempt, the student will earn a grade of 90%. If the student completes on their third attempt, the student will earn a grade of 80%. Should the competency not be passed with an 80% or higher, the student will be required to repeat the course. Competency evaluations are averaged at the end of term for the student’s final grade. A student must receive a “C” (75%) or better.” If a student receives a grade of a “D”, or “F” for the same MDCA course on two occasions, the student will not be eligible to continue in the Medical Assistant Program

Late Work: Late work is defined as work not turned in when a student is present in class. Late work may be turned in with ten points off for each day the work is late up to an average of 70% or 2 days. All class work is due on the day it is given. Any class assignment not turned in on time will be considered

late. All homework assignments are due on the assigned day – no exceptions! Homework assignments not turned in the next class day will be given a grade of zero.

Make-Up Policy: If a student misses a graded activity due to an **emergency absence, or illness (of the student)**, it is the student's responsibility to promptly arrange for make-up work. Students that cannot complete assignments on time must contact the instructor. Parameters for make-up work will be made at the discretion of the instructor and may not be an option, depending on the circumstances. Furthermore, students that cannot take an exam within the allotted time must contact the instructor in order for the test to be considered for an additional attempt. The percentage of each activity will weigh in the final grade, regardless of the student participates in the activity or test. Keep in mind, you must contact the instructor and make arrangements for submission. Do not expect the instructor to remind you. If you fail to contact your instructor your work assignments may not be turned in and will receive zero for what was due.

Quizzes: Please Note – Quizzes cannot be made up. If you miss a quiz, you will receive a zero grade, and it might affect your average. I will e-mail you if I make any adjustments to the calendar.

Mid-term and Exam make-ups will not be allowed unless there is an emergency, and I must be notified before the time of the exam.

Attendance Policy: Students are expected to attend every class and to be on time, class will begin at 9:00 am and be ready to start class. Students who are more than 5 minutes late may be counted absent by the instructor. If an absence occurs, it is mandatory for the student to call my office (409-933-8231) and leave a reason for the absence. A student may be dropped for non-attendance after 3 absences. Leaving the class early (before being released by the instructor) will result in an absence, this would prohibit students from successful completion of this course. Any student who has missed any class time will be required to make up the hours before the following class with the instructor; it's the responsibility of the students to make arrangements. After the 3rd missed day has been met then all students (MUST HAVE DR. NOTE) and make up any missed time or any in class or online assignments; failure to do so will result in zeros for the assignments for that missed day. Attendance will be checked daily by the instructor. It is the responsibility of the student to maintain the pace of the course recommended and to submit all graded activities before or by its due date. If the student fails to make up the required hours, the student will be withdrawn from the program by the program director. In order to take the RMA exam, you must have 720 Instructional and 200 Clinical hours.

Course Communication Policy: I check my e-mail and course mailbox and discussion areas daily Monday through Friday. For any course related questions please email me through Brightspace. I will respond to your phone calls and e-mails within 24 hours or less. However, I may not always be able to respond to e-mails sent over the weekend until Monday Morning. I will communicate changes in or new assignments within 48 hours. When leaving a message or e-mail please state your name and student id.

Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook https://www.com.edu/student-services/docs/Student_Handbook_2024-2025_v2.pdf. *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.*

Academic Success & Support Services: College of the Mainland is committed to providing students with the necessary support and tools for success in their college careers. Support is offered through our Tutoring Services, Library, Counseling, and through Student Services. Please discuss any concerns with your faculty or an advisor.

Textbook Purchasing Statement: A student attending College of the Mainland is not under any obligation to purchase a textbook from the college-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

ADA Statement: Any student with a documented disability needing academic accommodations is requested to contact:

Kimberly Lachney, Student Accessibility Services Coordinator

Phone: 409-933-8919

Email: AccessibilityServices@com.edu

Location: COM Doyle Family Administration Building, Student Success Center

Withdrawal Policy: Students may withdraw from this course for any reason prior to the last eligible day for a "W" grade. Before withdrawing students should speak with the instructor and consult an advisor. Students are permitted to withdraw only six times during their college career by state law. The last date to withdraw from the 1st 8-week session is February 26th. The last date to withdraw from the 16-week session is April 21st. The last date to withdraw for the 2nd 8-week session is April 30th.

FN Grading: The FN grade is issued in cases of *failure due to a lack of attendance*, as determined by the instructor. The FN grade may be issued for cases in which the student ceases or fails to attend class, submit assignments, or participate in required capacities, and for which the student has failed to

withdraw. The issuing of the FN grade is at the discretion of the instructor. The last date of attendance should be documented for submission of an FN grade.

Early Alert Program: The Student Success Center at College of the Mainland has implemented an Early Alert Program because student success and retention is very important to us. I have been asked to refer students to the program throughout the semester if they are having difficulty completing assignments or have poor attendance. If you are referred to the Early Alert Program, you will be contacted by someone in the Student Success Center who will schedule a meeting with you to see what assistance they can offer in order for you to meet your academic goals.

Resources to Help with Stress: If you are experiencing stress or anxiety about your daily living needs including food, housing or just feel you could benefit from free resources to help you through a difficult time, please click here <https://www.com.edu/community-resource-center/>. College of the Mainland has partnered with free community resources to help you stay on track with your schoolwork, by addressing life issues that get in the way of doing your best in school. All services are private and confidential. You may also contact the Dean of Students office at deanofstudents@com.edu or communityresources@com.edu.

Nondiscrimination Statement: The College District prohibits discrimination, including harassment, against any individual on the basis of race, color, religion, national origin, age, veteran status, disability, sex, sexual orientation, gender (including gender identity and gender expression), or any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of College District policy.

Tardiness Policy: Class starts at 9:00 and students who are late more than 5 minutes may be counted tardy by the instructor and the door will be locked. You must communicate with your instructor before class starts by email or voice mail. Three tardies will equal one absence. This includes all breaks during class time which are 10 minutes each. The door will be lock and students will have to wait in the break room until the next break to join the class so as not to interrupt class and all work missed will not be accepted. ***This includes all breaks during any on-campus class times.*** Failure to interact with course content via Brightspace/D2L as indicated on the Course Schedule and module overview pages in Brightspace/D2L can likewise negatively impact a student' final course grade. Unless arranged by the instructor BEFORE the due date, a late submission will be given a score of zero. Once the class is closed it WILL NOT be reopened.

Weekly Quizzes: Please Note – The week begins on Tuesdays and ends on Mondays at midnight. Weekly quizzes will be given in class every Tuesday at the beginning of class, and they will appear on the calendar. Late work may not be accepted unless individuals' arrangements have been made with me prior to the due date and time. I will e-mail you if I make any adjustments to the calendar. If you are more than 5 minutes late you will not be able to test. **Quizzes cannot be made up. No exceptions.**

Cell Phone Use: Cell phone use is **strictly prohibited** during any lab/class session.

Please keep in “silent” mode during lectures and be respectful of instructors and other students. Should you need to answer the call, please do so outside of the classroom. Due to cheating in the past, we cannot allow any wireless devices to be on during the tests. In an emergency, you may be reached by contacting Campus Police at 409-933-8403.

Use of Camera and/or Recording Devices: As a student active in the learning community of this course, it is your responsibility to be respectful of the learning atmosphere in your classroom. **To show respect for your fellow students and instructor, you will turn off your phone and other electronic devices and will not use these devices in the classroom unless you receive permission from the instructor.** Use of recording devices, including camera phones and tape recorders, is prohibited in classrooms, laboratories, faculty offices, and other locations where instruction, tutoring, or testing occurs. Students with disabilities who need to use a recording device as a reasonable accommodation should contact the Office for Students with Disabilities for information regarding assistance.

Classroom Behavior: Students are expected to conduct themselves as mature adults observing all college rules and classroom etiquette. Disruptive behavior of any kind will not be tolerated in the classroom at any time. As a student active in the learning community of this course, it is your responsibility to be respectful of the learning atmosphere in your classroom. Failure to comply could mean dismissal from the program. Students can refer to the student handbook for all requirements.

Class Activities: Course topics are introduced and discussed during classroom sessions. Additional group exercises and workbook activities are conducted throughout the class meetings. General, ongoing feedback for assessments and assignments will be conducted before and after the assigned due dates.

Plagiarism Policy: Plagiarism is using someone else’s words or ideas and claiming them as your own. Plagiarism is a very serious offense. Plagiarism includes paraphrasing someone else’s words without giving proper citation, copying directly from a website, and pasting it into your paper, or using someone else’s words without quotation marks. Any assignment containing plagiarized material will receive a **grade of zero**, and the student will be referred to the Dean of Students for appropriate disciplinary action. This includes copying another student’s post on discussion boards. In this course you may not use AI for any assignment in any way, shape, or form. Use of AI will be treated as plagiarism.

Use of Artificial Intelligence (AI): Any assignment containing material generated by Artificial Intelligence (AI) will receive a **grade of zero** and the student will be referred to the Office of Student Conduct for appropriate disciplinary action.

Professionalism: Success in one's career is almost as dependent on professional behavior as on one's academic knowledge and abilities. Therefore, students are expected to exhibit professional behavior in the classroom as well as all activities with this course. Professional behavior includes:

- **Attends class is punctual-** The student attends every class period, arrives on time for class activities or informs the instructor in a timely manner of unavoidable situations that cause the student to be late or miss class.
- **Dependable-** the student meets assignment deadlines and follows through to completion of responsibilities.
- **Effective interpersonal and team skills-** The student relates well to people, shows respect to others, deals tactfully and effectively with others, influences as opposed to directs, provides constructive critics without altering others, negotiates or mediates when appropriate, exhibits openness to new ideas, and demonstrates a positive attitude.
- **Effective communication skills-** The student listens, speaks using correct grammar and without excess fillers. Example: Umm, you know, and like.
- **Ethical Conduct-** The student maintains honesty, integrity, and confidentiality of patient provider, fellow student, and college information.

Success Tips for Students:

- Read all assignments and understand requirements for completing assignment prior to coming to class.
- **Three Prior to Me:** The MA faculty encourages students to problem-solve, work as a team as well as utilize available resources. In order to develop these skills, we will employ the “**Three Prior to Me**” process. This means that before you contact the instructor with a course-related question, you must have attempted to find the information in three other places. For instance, if you are unsure about the meaning of a term used in the course, you would attempt to locate this information in three places prior to asking the instructor. Hence, you might do a Google search for the term, ask a classmate, and refer to your textbook. Instructors will question you regarding what research methods you utilized to locate information on your own. This process is not meant to be a barrier to you, but instead to provide the following benefits:
 - Preparation for the workforce.
 - Increased research skills.
 - Instructors will have more time to provide feedback and interact with students.
