Attendance Policy: Every class is important to your success in school. Make every effort to attend all classes. A sign in sheet will be provided in each class. Each student must sign themselves in and out daily. If a student misses more than half the class period, the grade will reflect an absence. Any time missed will affect the total number days required for completion. Attendance grades are calculated as follows: Each tardy is 5 points off the attendance grade. Each absence is 10 points off the attendance grade.

If a student misses more than 4 absences, they will be dismissed from the course, according to College of the Mainland policies. All courses must be completed and passed with a C or better to be able to advance to the next courses and to be able sit for the licensor exam. It is the student's responsibility to understand the course requirements and maintain sufficient attendance and work completion.

Tardiness Policy: Entering the class after the time class begins is counted as a tardy. Entering the class after the halfway mark of the class is counted as an absence. Every four tardies equals one absence.

Withdrawal Policy: Students may withdraw from this course for any reason prior to the last eligible day for a "W" grade. Before withdrawing students should speak with the instructor and consult an advisor. Students are only permitted to withdraw six times during their college career by State law. The last day to withdraw for the 1st 8-week session is October 7th, November 23rd for 16 week courses and December 3rd for the 2nd 8 week session.

FN Grading: The FN grade is issued in cases of *failure due to a lack of attendance*, as determined by the instructor. The FN grade may be issued for cases in which the student ceases or fails to attend class, submit assignments, or participate in required capacities, and for which the student has failed to withdraw. The issuing of the FN grade is at the discretion of the instructor.

Early Alert Program: The Student Success Center at College of the Mainland has implemented an Early Alert Program because student success and retention is very important to us. I have been asked to refer students to the program throughout the semester if they are having difficulty completing assignments or have poor attendance. If you are referred to the Early Alert Program you will be contacted by someone in the Student Success Center who will schedule a meeting with you to see what assistance they can offer in order for you to meet your academic goals.

Academic Dishonesty: Any incident of academic policy will be dealt with in accordance with college policy and the Student Handbook. Academic dishonesty – such as cheating on exams is an extremely serious offense and will result in a **grade of zero** on that exam and the student will be referred to the Office of Student Conduct for the appropriate discipline action.

Plagiarism: Plagiarism is using someone else's words or ideas and claiming them as your own. Plagiarism is a very serious offense. Plagiarism includes paraphrasing someone else's words without giving proper citation, copying directly from a website and pasting it into your paper,

using someone else's words without quotation marks. Any assignment containing any plagiarized material will receive a **grade of zero** and the student will be referred to the Office of Student Conduct for the appropriate discipline action. Google search, copy and paste are considered plagiarism.

Make-Up Policy: Written assignments/Workbooks may be turned in on the *first* day back from an absence at the beginning of class; Written tests may be made up by making arrangements with the instructor on the first day back from an absence (this is the students responsibility; Practical skills & Oral Reports may not be made up.) **NO LATE WORK IS ACCEPTED**

IMPORTANT: Eligibility for an occupational license may be impacted by one's criminal history. Students with a criminal history should confer with faculty or the department chairperson. Students have a right to request a criminal history evaluation letter from the applicable licensing agency.

Notice to Students Regarding Licensing: Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements: www.tdlr.texas.gov Should you wish to request a review of the impact of criminal history on your potential TDLR Cosmetology Operator Certificate which leads to testing for licensure, prior to or during your quest for a certificate, you can visit www.tdlr.texas.gov and request a "Criminal History Evaluation": This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.
