Course Requirements:

Students will know and understand range safety rules; demonstrate how to safely disable and reassemble their training issue firearms; as well as demonstrate their ability to safely and quickly clear assorted jams that they may encounter when operating a firearm. Students will demonstrate their standard marksmanship ability with a revolver, a semi-automatic pistol, a rifle and a shotgun. Students will demonstrate their ability to safely and accurately identify and hit the proper portion of their target in regular, combat, and low-light situations. Students will be required to know, understand, and demonstrate ground-fighting techniques, as well as the proper use of an expandable (ASP) baton within the Use of Force guidelines. Students will demonstrate their ability to safely enter, search and clear a building or property, both in day and night lighting, for suspect(s) possibly involved in a criminal offense. Be eligible to graduate from the academy upon successful completion of the final exam.

Attendance Policy: The Texas Commission on Law Enforcement requires students to attend the class in its entirety. **Any hours missed must be made up before completing the program.** The students must notify the Director of designee of any absence or he/she will be dismissed from the academy program. All hours missed must be made up before the end of the academy. **(See Section X - Cadet Attendance Requirements in the Rules and Regulations handout for the BPOA).**

Withdrawal Policy: Withdrawals from the course, (and in essence the academy), are made to the Coordinator of Law Enforcement Training in writing to be accepted by the Director of the Training Academy. Withdrawals are handled as resignations per the Rules and Regulations of the College of the Mainland Criminal Justice Training Center Law Enforcement Academy. Students may withdraw from this course for any reason prior to the last eligible day for a “W” grade. Before withdrawing students should speak with the instructor and consult an advisor. Students are permitted to withdraw only six times during their college career by state law. The last date to withdraw from the 1st 8-week session is March 2. The last date to withdraw from the 16-week session is April 25. The last date to withdraw for the 2nd 8-week session is May 4.

FN Grading: The FN grade is issued in cases of *failure due to a lack of attendance*, as determined by the instructor. The FN grade may be issued for cases in which the student ceases or fails to attend class, submit assignments, or participate in required capacities, and for which the student has failed to withdraw. The issuing of the FN grade is at the discretion of the instructor.

Early Alert Program: The Counseling Center at College of the Mainland has implemented an Early Warning Program. I have been asked to refer students to the program throughout the semester if they are having difficulty completing assignments or have poor attendance. If you are referred to the Early Warning Program you will be contacted by someone in the Counseling Department. As student success and retention is very important to us, someone from the Counseling Department will schedule a meeting with you to see what assistance they can offer in order for you to meet your academic goals.

As per BPOA Rules students must achieve and maintain a 75% average by the end of the fourth week. Written notice will be given to any student who drops down within 3 points of that minimum score.

Dropping below the 75% average after the 4th week can bring about termination from the program if the Director determines that it is in the best interest of the student and the academy.

Academic Dishonesty: Any incident of academic policy will be dealt with in accordance with college policy and the Student Handbook. **Cheating on any test/exam will bring about immediate termination from the academy.** (See Academy Rules and Regulations Section VI – Cheating).
