**Late Work, Make-Up, and Extra-Credit Policy:** No late work is accepted. Faculty may elect to allow students to make up tests and assignments at their discretion, but they must be done so within 24 hours of returning, or the student will receive a “zero.”

**Attendance Policy:** The college policy on attendance is “Students are required to attend and participate in every session of all classes for which they are registered. Regular attendance is a critical component to being successful in courses. COM recognizes no excused absences other than those prescribed by law: religious holy days and military service.” The dental hygiene

program expects students to be present for all clinic, classroom and laboratory sessions. Students are expected to be on time and stay for the entire time for every lecture, lab, and clinic. Tardiness of more than 20 minutes and leaving early will count for an absence.

Though no absences are excused, students are still expected to contact course faculty as soon as possible in regard to a missed class. If any portion of a class session is missed, it is the student's responsibility to obtain notes, assignments, handouts, and make-up work/exams before the next scheduled class meeting or within one week. Two (2) tardiness or absences result in a consultation with the program coordinator and/or written notice of course deficiency. Three or more may result in dismissal from the program.

**Communicating with your instructor:** ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. Please be mindful of communications with others, emails need to be written professionally and be sent during reasonable hours. Students can expect a reply within one business day, unless sent on the weekend, in which case a reply will occur by end of day Monday.

**Academic Dishonesty:** Students enrolled in health science courses are expected to uphold the highest standard of ethical behavior and professionalism. Academic integrity is an integral component of student conduct. Unethical behavior, such as academic misconduct or scholastic dishonesty harms the student, other students, and threatens the integrity of the program. The program policy on academic dishonesty is described in the Dental Hygiene program handbook.

Students are expected to adhere to the policy and there is zero tolerance for the deviation from the policy. Any student suspected of scholastic dishonesty will be referred to the program coordinator and may receive a “zero” in the course and/or dismissal from the program.

**Student Concerns:** If you have any questions or concerns about any aspect of this course, please contact me using the contact information previously provided. If, after discussing your concern with me, you continue to have questions, please contact the program coordinator at [efalls@com.edu](mailto:efalls@com.edu).

### **Remediation and Student Success**

Remediation is implemented in all program courses for students to revisit material that wasn't learned or skills that weren't applied correctly. This is to ensure students are prepared to take the board exams for licensure upon graduation. Remediation is required for all exams, competencies, and skills evaluations in which a student is unsuccessful. The process for remediation for each course differs, but it is required that students comply with the remediation process. Any students who fails to complete a remediation assignment or session will be referred to the program coordinator and may receive a “zero” in the course.

## **Institutional Policies and Guidelines**

**Grade Appeal Process:** Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook [https://www.com.edu/student-services/docs/Student Handbook 2024-2025 v2.pdf](https://www.com.edu/student-services/docs/Student_Handbook_2024-2025_v2.pdf). *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.*
