Make-Up Policy: Written assignments may be turned in on the first day back from an absence; written tests may be made up by making arrangements with the instructor on the first day back from an absence; practical skill tests or final exams may not be made up.

Attendance Policy:

Students must maintain regular attendance to guarantee completion of hours by the end of the program. Every class is important to your success in school. A sign in sheet will be provided in each class. Each student must sign themselves in and out daily.

Day time classes are Full Time Block scheduling. This means that all 3 classes are to be taken each semester. All classes must be passed with a grade of C or better to move to the next course. Due to this, schedule changing from daytime to evening or evening to daytime is not allowed. Only with special permission from the department chair and advisor can this be done; and it is limited to one switch per student. Plan your schedule accordingly throughout the program.

Tardiness:

Entering the class after the time class begins **OR** leaving the class before it has ended will be counted as a tardy. Each tardy will result in a 5-point deduction from the attendance grade. Four (4) tardies are equal to one absence.

Absence:

Any time missed will affect the total number of hours needed for completion.

If a student misses 1 hour or more per session, the grade will reflect an absence. Each absence will result in a 10-point deduction from the Attendance grade.

If a student misses more than 10 percent of class time in any one course, they will be dismissed from that course. If prior to "W" day, the student may withdraw to receive a grade of **W**.

Otherwise the grade will be **F**. It is the student's responsibility to withdraw through the admissions department.

For Excused absences see Welcome Packet.

Communicating with your instructor: ALL electronic communication with the instructor must be through **your COM email**. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. (Ex. Grades, attendance)

Also, it is expected that students log into D2L weekly to view course assignments, messages, etc.

Instructors will create a Group Me for the class as a way to connect outside of class. Updates and quick answers can be communicated through this app. Peer to peer communication is also available through this method.

Academic dishonesty – such as cheating on exams is an extremely serious offense and will result in a **grade of zero** on that assignment and the student will be referred to the Office of Student Conduct for the appropriate discipline action.

Notice to Students Regarding Licensing

Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook [Student Handbook 2022-2023 v4.pdf \(com.edu\)](#). *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.*

Academic Success & Support Services: College of the Mainland is committed to providing students the necessary support and tools for success in their college careers. Support is offered through our Tutoring Services, Library, Counseling, and through Student Services. Please discuss any concerns with your faculty or an advisor.

ADA Statement: Any student with a documented disability needing academic accommodations is requested to contact Kimberly Lachney at 409-933-8919 or klachney@com.edu. The Office of Services for Students with Disabilities is located in the Student Success Center.

Textbook Purchasing Statement: A student attending College of the Mainland is not under any obligation to purchase a textbook from the college-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

Withdrawal Policy: Students may withdraw from this course for any reason prior to the last eligible day for a "W" grade. Before withdrawing students should speak with the instructor and consult an advisor. Students are permitted to withdraw only six times during their college career by state law. The last date to withdraw from the 1st 8-week session is March 1. The last date to withdraw from the 16-week session is April 24. The last date to withdraw for the 2nd 8-week session is May 3.

FN Grading: The FN grade is issued in cases of *failure due to a lack of attendance*, as determined by the instructor. The FN grade may be issued for cases in which the student ceases or fails to attend class, submit assignments, or participate in required capacities, and for which the student has failed to withdraw. The issuing of the FN grade is at the discretion of the instructor. The last date of attendance should be documented for submission of an FN grade.

Early Alert Program: The Student Success Center at College of the Mainland has implemented an Early Alert Program because student success and retention are very important to us. I have been asked to refer students to the program throughout the semester if they are having difficulty completing assignments or have poor attendance. If you are referred to the Early Alert Program

you will be contacted by someone in the Student Success Center who will schedule a meeting with you to see what assistance they can offer in order for you to meet your academic goals.
