Late Work Policy and Extra Credit Policy:

Major writing assignments are mandatory (M). This means they must be completed. You cannot pick and choose writing assignments in this Composition I course. I must check your writing skills before I can allow you to pass into another course. Writing assignments should be turned in on the due dates assigned. I will give you ample time to complete these assignments. If you do not turn major assignments in when they are due, you will receive a point deduction of ten (10) points for each assignment submitted past its due date.

Makeup Policy: My makeup policy in on a case-by-case basis.

Extra Credit Policy: I do not offer extra credit assignments.

Attendance Policy:

In this class we function as a team -teaching and learning together even though currently, we are having to learn at a distance. Your attendance is critical to your success in this course. I should be able to see that you are logging into DL2 Brightspace regularly and completing the required assignments on the syllabi. **Students, pay attention to assignment due dates. I cannot stress this point enough. Make sure that you log into Brightspace as often as you need to, so you will not miss any deadlines for assignment content. Due dates are visible in Brightspace and the course syllabus.**

Communicating with your instructor: ALL electronic communication with the instructor must be through your COM or DL2 Brightspace email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means.

Academic Dishonesty: My English course policy is that a paper or assignment, which evidence can support as plagiarized or in any manner not the result of a student's own intellectual endeavors, will receive zero points. Also, submitting your own previously written work for a current assignment or submitting an assignment in more than one class without the prior permission of the instructor is also considered academically dishonest. This act will also result in a zero grade.

Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and

must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student

handbook. <[https://build.com.edu/uploads/sitecontent/files/student-](https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf)

[services/Student_Handbook_2019-2020v5.pdf](https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf). *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course.*

Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.
