Any grade below 60 is an **F**

Make-Up Policy: There are **NO** makeups for this class. However, if a student has a legitimate excuse (death in the family, medical emergency, etc.) some deadlines can be extended.

Projects: 5 projects will be assigned during the semester. In total, these videos constitute 90% of your grade. Each advertisement (if applicable) must be filmed on a camera on location or in the Lab, a camera with Manual mode, or your cellphone with the use of a tripod or gimbal. Students are allowed to form groups to share equipment. Exact details of the projects will be found in the corresponding Project Assignment Sheet which is handed out in class.

Each project submitted must consist of:

1. A file placed on your flash drive containing the exported video, video project, script, storyboard, and all other associated files.

These are consistent for every project unless otherwise noted.

Please Note: (grades and projects are subject to change)

Typos will not be accepted (Typos include misspelled words, superfluous words/letters, extra spaces, double returns, etc.). Any typos found will result in a penalty to the student's grade.

In an effort to give back to our community, and give students real-world client experiences, we may take on a "real" community project. This changes from semester to semester, but if the instructor has the opportunity to work with a "real client" we will. Grading will be realigned to the outcomes of that project, and students will be made aware of changes via Brightspace grade center and class discussion.

In the classroom as in business, the need may arise for students to go beyond the given instructions or directions. Therefore, additional resources will be helpful to the student. These may include additional Lynda.com videos, textbook resources in the studio area, videos, and help from classmates and instructors.

**This course has a grade for class participation including attendance, ability to work with little assistance, participating in classroom discussion and working as a peer proctor for other students.*

Late Work, Make-Up, and Extra-Credit Policy:

Attendance Policy:

Roll will be taken each class period; 100% attendance is expected. More than 3 missed classes may result in a student being dropped from the course. The only exception to this rule is death within the immediate family or a note from the Doctor.

Tardiness: The student is expected to be on time for every class. It is to the student’s disadvantage to arrive late as they may miss essential demonstrations, lecture information, etc.

FN Grading: The FN grade is issued in cases of failure due to a lack of attendance, as determined by the instructor. The FN grade may be issued for cases in which the student ceases or fails to attend class, submit assignments, or participate in required capacities, and for which the student has failed to withdraw. The issuing of the FN grade is at the discretion of the instructor. The last date of attendance should be documented for submission of an FN grade.

Communicating with your instructor: ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. (Faculty may add additional statement requiring monitoring and communication expectations via D2L or other LMS)
