**Course Requirements:**

There are **Six Modules** that comprise this course which align with the units in the textbook. Please see the Schedule of Activities outlining the modules and which chapters are covered.

**Quizzes**

There are **14 Chapter Quizzes (in BrightSpace)**. You have no time limit on these quizzes, and you are

allowed three attempts. Your highest score will be automatically accepted as your grade for that quiz.

### **Aplia Assignments**

The course includes **14 Aplia Assignments (in Cengage)**. You will have three attempts, with the highest saved. Point values vary. Please refer to the Schedule of Activities.

### **Persuasive Request Assignment**

A **persuasive request** letter will be written using the AIDA model. The letter will contain the 7 standard letter parts, be in block format, no longer than 1 page in length, contain appropriate margins, spacing, font style, and size for a business letter.

### **Discussion Board**

A single **Discussion Board (in BrightSpace D2L)** with weekly engagement postings will be required.

Unlike traditional discussion boards, not every student needs to start a conversation nor make an initial posting. You may just continue or add on to an existing posting - participation and engagement are the focus.

Students will reflect on course concepts, make connections, and think critically resulting in deeper learning. Topics may be open a few weeks or all semester long. Each week, students earn points for the quality, content, and relevance to the topic. **Be sure to use the rubric attached within the course to glean guidance on posting expectations.**

### **Elevator Pitch Video Presentation**

The course includes one **Elevator Pitch Video Presentation** posted in **BrightSpace**. The assignment is an attempt to introduce yourself to a potential job or networking connection. Record a 30-second elevator pitch that shares your expertise and credentials quickly and effectively with people who don't know you. The video will be posted through the Assignment area.

### **Final Exam**

This course has one comprehensive Final Exam, which will be administered in **Cengage** and is ~50 questions in length. The exam is timed, and you are allowed only one attempt. **The test will automatically close at the time shown in the schedule of activities. It is your responsibility to monitor your time while taking the test.**

**Rubrics are associated with persuasive request letters and elevator pitch assignments.** Please refer to the grading rubric for additional guidance on expectations.
