

Biol 2402.103CL
Anatomy & Physiology II
Spring 2022
Monday/Wednesday 2:00PM-4:50PM
Steam Bldg. #22 Room 334

Instructor Information: Professor Smith, email: ssmith10@com.edu, phone: 409-933-8436

Student hours and location: On-campus in STE325-23: M/W 12:30-2:00pm; T/TH 4:30-6:00pm; Virtual hours by appointment <https://calendly.com/ssmith10/30min> : M/W 5:30-6:30pm

Required Textbook/Materials:

- Marieb, E.N. & Hoehn, K., 2019. Human Anatomy and Physiology, 11th ed. Boston, MA; Pearson Education, Inc. (eBook via VitalSource already loaded in BB = NO PURCHASE REQUIRED)
- Amerman, E., 2017. Exploring Anatomy & Physiology in the Laboratory, 3rd edition. Englewood, Colorado, Morton Publishing Company (customized for COM) ISBN-13: 978-1- 61731-955-6 (Lab Manual)

Course Description: Anatomy and Physiology II is the second part of a two-course sequence. It is a study of the structure and function of the human body including the following systems: endocrine, cardiovascular, immune, lymphatic, respiratory, digestive (including nutrition), urinary (including fluid and electrolyte balance), and reproductive (including human development and genetics). Emphasis is on interrelationships among systems and regulation of physiological functions involved in maintaining homeostasis. The lab provides a hands-on learning experience for exploration of human system components and basic physiology. Systems to be studied include endocrine, cardiovascular, immune, lymphatic, respiratory, digestive (including nutrition), urinary (including fluid and electrolyte balance), and reproductive (including human development and genetics).

Prerequisites: TSI Reading 351 or IRW 0320 and BIOL 2401 with a grade of "C" or better.

Course requirements:

Lecture Exams & Comprehensive Final Exam

There are 4 exams and 1 comprehensive final exam (CFE). Each lecture exam consists of multiple-choice, fill-in-the-blank, matching, true-false, essay, and identification. Exam dates are listed in the syllabus documents.

Lecture Quizzes: There are 4 lecture quizzes throughout the course. You will have a set time limit to answer the questions. Lecture quizzes will be assigned the last class prior to an exam day. Lecture quiz due dates are listed in the syllabus document.

Pre-Lecture Quizzes:

There will be 15 pre-lecture quizzes throughout the semester, these will be in-person quizzes to ensure you have read the chapter prior to coming to class. They will be multiple-choice, fill in the blank, matching or short answer questions.

Mastering A&P Assignments:

You will have 10 online assignments in the Modified-Mastering A&P. Due dates are listed in the syllabus document.

Required online component, you will access via BB from day one.

Lab Activity and Lab Activity Quizzes (LAQ) via BlackBoard

There are 12 online lab activities via BB (Respondus not required). Each activity reinforces the material that will appear on the 2 scheduled Lab Practicals. You must watch all videos uploaded to the Lab Material area to answer the lab activity quizzes. **Lab quizzes will be the pre-lab requirement, this will need to be done before each lab.** You must be in appropriate lab attire to participate in the in-person lab activities.

Lab Practicals

There will be 2 lab practicals during this course. These will be taken in class and the dates are listed in the syllabus document.

Professionalism: All email and in-person communication need to remain respectful. I am open to concerns, comments, and constructive criticism. However, please make sure all comments are respectful when speaking to me or fellow classmates. Professionalism is 1.0% of your grade, **please be sure to identify you name and class when emailing with a clear explanation of the purpose of your email.** This includes a clear concise email with name and course number, last minute technical problems because of procrastination, not prepared for lab. Please see the professionalism document for further details. All email's must be sent from your COM email. Emails from personal email addresses will NOT be opened.

Bonus Points: Bonus points are not part of the course requirements, they are given at the discretion of the instructor. There will be multiple opportunities to earn extra points throughout the semester. All bonus points will be part of an exam or practical.

Determination of Course Grade/Detailed Grading Formula:

Course Assessment	Total Points	Percentage of Course
LECTURE PORTION	700	70.0%
Syllabus Quiz	5 points	0.5%
Pre-Lecture Quiz (15)	60 points(4 pts each)	6.0%
Professionalism	10 Points	1.0%
Mastering A&P Assignments (10)	200 (20 pts each)	20.0 %
Lecture Quizzes (4)	60 (15 pts each)	6.0 %
Lecture Exams (4)	300 (75 pts each)	30.0 %
Comprehensive Final Exam	65 points	6.5%
LAB PORTION	300	30.0%
Lab Safety Quiz	10 points	1.0
Lab Activities (online) (12)	120 points (10pts each)	12.0%
Lab Practicals (2)	170 (85 pts each)	17.0%
TOTAL POINTS	1000	100%

Grading Scale:

A A Sum of the points earned for course assessments that equals between 900 and 1000 points

B A Sum of the points earned for course assessments that equals between 800 and 899 points

C A Sum of the points earned for course assessments that equals between 700 and 799 points

D A Sum of the points earned for course assessments that equals between 600 and 699 points

F A Sum of the points earned for course assessments that equals below 600 points.

I An incomplete may be assigned at the discretion of the instructor in accordance with the policy.

W A withdrawal may be assigned in accordance with college policy.

Science Lab Policy (Please Read Carefully)

This course consists of both a lecture and laboratory grade component. Students must earn a 70% or better in the laboratory component to successfully pass the course. **Earning less than 70% in the laboratory component will result in an F for the course regardless of the lecture grade.** Passing the laboratory component and failing the lecture component will not guarantee a passing grade for the course. Deviations from this policy will be at the sole discretion of the instructor.

Late Work, Make-Up, and Extra-Credit Policy:

EXAMS: Exams are administered in class. Make-ups are allowed at the discretion of the instructor. A note from a doctor or employer may be required.

LAB PRACTICALS: Administered via in class. Make-ups are allowed at the discretion of the instructor. A note from a doctor or employer may be required.

MISSED ASSIGNMENTS: Please contact the instructor if you missed an assignment to make arrangement to complete the missed assignment. This is at the instructor discretion.

Attendance Policy: Students are required to come to lab to complete the face-to-face laboratory exercises required in the laboratory component of this course. **Absences in three required lab meetings will result in a "F" for the course grade unless there is a documented excuse approved by the instructor** (e.g. illness or death in the family).

Communicating with your instructor: ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. (Faculty may add additional statement requiring monitoring and communication expectations via Blackboard or other LMS)

Student Learner Outcome (SLO)	Maps to Core Objective(s)	Assessed via this Assignment
1. Use anatomical terminology to identify and describe locations of major organs of each system covered.		Exams 1-4
2. Explain interrelationships among molecular, cellular, tissue, and organ functions in each system.		Comprehensive Final Exam
3. Describe the interdependency and interactions of the systems.		Exam 1
4. Explain contributions of organs and systems to the maintenance of homeostasis.	CT	Exams 1-3
5. Identify causes and effects of homeostatic imbalances.	CS	Exams 1-4
6. Describe modern technology and tools used to study A&P		Lab Practical 1
7. Apply appropriate safety and ethical standards.		Lab Safety Quiz
8. Locate and identify anatomical structures.		Lab Practical 1 & 2
9. Appropriately utilize laboratory equipment, such as microscopes, dissection tools, general lab ware, physiology data acquisition systems, and virtual simulations.		Lab Practical 2
10. Work collaboratively to perform experiments.	TW	ABO Murder Mystery
11. Demonstrate the steps involved in the scientific method.		Differential WBC Count

12. Communicate results of scientific investigations, analyze data and formulate conclusions.		Ex 19-2 Blood Typing
13. Use critical thinking and scientific problem-solving skills, including, but not limited to, inferring, integrating, synthesizing, and summarizing, to make decisions, recommendations, and predictions.	EQS	Lab Practical 1

Academic Dishonesty: Disciplinary actions will be taken for students who exhibit disorderly conduct, cheat on exams, submit plagiarized work (see below), or are involved in collusion (helping others cheat or plagiarize) as defined in the Student Handbook under the heading, “Discipline and Penalties.” The maximum penalty imposed for violations will be an F in the course. The student will also be referred to the Associate Vice President of Student Success and Conduct for further disciplinary action. Please read through the “Standards of Student Conduct” in the Student Handbook for a more complete discussion of these issues and your rights and responsibilities.

Student Concerns: If you have any questions or concerns about any aspect of this course, please contact me using the contact information previously provided. If, after discussing your concern with me, you continue to have questions, please contact Sheena Abernathy, Chair of the Science Department, at 409-933-8330 or by email: sabernathy@com.edu.

Course outline: Course Schedule Outline: (SUBJECT TO CHANGE IF NEEDED)

WK	DAYS	LECTURE On-Campus	LAB On-Campus	LAB Online
1	1/18 to 1/22	CH16: The Endocrine System (PLQ1) Mastering ASGN 1 DUE (CH16)	Lab Safety & Lab Safety Quiz Ex. 16-1 & 16-2	Ex. 16-1 & 16-2 LAQ 1 (online)
2	1/23 to 1/29	CH18: The Heart (PLQ2) Mastering ASGN 2 DUE (CH18)	Pig Heart Dissection Ex. 17-1: Anatomy of the Heart	Ex. 17-1 Anatomy of the Heart LAQ 2 (online)
3	1/30 to 2/05	CH19: Blood Vessels (PLQ3) Mastering ASGN 3 DUE (CH19) Lecture Quiz 1 – (Ch.16,18,19)	Ex. 19-5 ECG & Vernier EKG Ex. 19-1 (Auscultation) Ex. 19-2 Vascular Examination	Ex. 19-5 ECG & Vernier EKG Ex. 19-1 (Auscultation) LAQ 3 (online)
4	2/06 to 2/12	Exam 1 – (Ch. 16,18,19) CH17: The Blood (PLQ4) Mastering ASGN 4 DUE (CH17)	Ex. 18-1 Major Arteries Ex. 18-2 Major Veins Ex. 18-5 Clinical Applications Ex. 14-4 Blood Pressure	Ex. 18-1 Major Arteries Ex. 18-2 Major Veins Ex. 18-5 Clinical Applications LAQ 4 (online)
5	2/13 to 2/19	CH20: Lymphatic System (PLQ5) Mastering ASGN 5 DUE (CH20)	Ex 20-1 Formed Elements of Blood Ex.20-2 ABO & Rh Blood Groups	Ex. 14-4 ANS: Blood pressure Ex. 18-5 Pulse Palpaton LAQ 5 (online)
6	2/20 to 2/26	CH21: Immunity (PLQ6) Mastering ASGN 6 DUE (CH21)	Exercise 20-3 Murder Mystery Game Exercise 21-1 Lymphatic System Anatomy Exercise 21-2 Lymphatic Organ Histology	Ex. 20-1 Formed Elements of Blood Ex. 20-2 ABO & Rh Blood Groups Ex. 21-2 Lymphatic Organ H LAQ 6 (online)
7	2/27 to 3/05	CH22: Respiratory System (PLQ8) Mastering ASGN 7 Due (CH22) Lecture Quiz 2	Lab practical 1	No online labs Review previous activities
8	3/06 to 3/12	Exam 2 CH23: Digestive System (PLQ 9)	Ex. 22-1 Respiratory Anatomy Ex. 23-2 Measuring Pulmonary Volumes & Capacities Construct a Lung Handout	Ex. 22-1 Respiratory System Anatomy Ex. 23-2 Measuring Pulmonary Volumes/Capacities LAQ 7 (online)
	3/13 to 3/19	SPRING BREAK	SPRING BREAK	SPRING BREAK
9	3/20 to 3/26	CH24: Nutrition (PLQ10) Mastering ASGN 8 Due (CH23/24)	Ex.24-1DigestiveSystemAnatomy Ex.2-3Enzymes&Chem. Reaction Lactase Enzyme Assay Handout	Ex. 24-1 Digestive System Anatomy Ex. 2-3 Enzymes and Chemic LAQ 8 (online)
10	3/27 to 4/02	CH25: The Urinary System (PLQ11)	Animal Dissection	Ex. 25-1 Urinary System Anatomy LAQ 9 (online)
11	4/03 to 4/09	CH26: Fluid Balance (PLQ12) Mastering ASGN 9 DUE (CH25/26) Lecture Quiz 3	Ex.25-1 Urinary System Anatomy Kidney Dissection Animal Dissection continued	Ex. 26-1 The Model Kidney LAQ 10 (online)
12	4/10 to 4/16	Exam 3 CH27: Reproductive System (PLQ13)	Ex. 26-1 The Model Kidney Urinalysis Handout	Ex. 27-1 Ex. 27 - 2 LAQ 11 (online)
13	4/17 to 4/23	CH28: Development (PLQ14) Mastering ASGN 10 DUE (CH27/28)	Ex.27-1 and 27-2 Male and Female Reproductive Anatomy Animal Dissection continued	Ex. 28-1 Ex. 28-2 LAQ 12(online)
14	4/24 to 4/30	CH29: Heredity Lecture Quiz 4	Pig Uterus & Developmental Models Pregnancy Kit/ Barrier Lab Handout Possible Dissected Pregnant Animal Demonstration	No Online Lab
15	5/01 to 5/07	Exam 4 Final Exam Review	Lab practical 2	
16	5/08 to 5/13	Comprehensive Final Exam	No lab this week	

Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook. <https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf. *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.* https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf

Academic Success & Support Services: College of the Mainland is committed to providing students the necessary support and tools for success in their college careers. Support is offered through our Tutoring Services, Library, Counseling, and through Student Services. Please discuss any concerns with your faculty or an advisor.

ADA Statement: Any student with a documented disability needing academic accommodations is requested to contact Holly Bankston at 409-933-8520 or hbankston@com.edu. The Office of Services for Students with Disabilities is located in the Student Success Center.

Counseling Statement: Any student needing counseling services is requested to please contact Holly Bankston in the student success center at 409-933-8520 or hbankston@com.edu. Counseling services are available on campus in the student center for free and students can also email counseling@com.edu to set up their appointment. Appointments are strongly encouraged; however, some concerns may be addressed on a walk-in basis.

Textbook Purchasing Statement: A student attending College of the Mainland is not under any obligation to purchase a textbook from the college-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

Withdrawal Policy: Students may withdraw from this course for any reason prior to the last eligible day for a "W" grade. Before withdrawing students should speak with the instructor and consult an advisor. Students are permitted to withdraw only six times during their college career by state law. The last date to withdraw from the 1st 8-week session is March 2. The last date to withdraw from the 16-week session is April 25. The last date to withdraw for the 2nd 8-week session is May 4.

F_N Grading: The F_N grade is issued in cases of *failure due to a lack of attendance*, as determined by the instructor. The F_N grade may be issued for cases in which the student ceases or fails to attend class, submit assignments, or participate in required capacities, and for which the student has failed to withdraw. The issuing of the F_N grade is at the discretion of the instructor. The last date of attendance should be documented for submission of an F_N grade.

Early Alert Program: The Student Success Center at College of the Mainland has implemented an Early Alert Program because student success and retention are very important to us. I have been asked to refer students to the program throughout the semester if they are having difficulty completing assignments or have poor attendance. If you are referred to the Early Alert Program you will be contacted by someone in the Student Success Center who will schedule a meeting with you to see what assistance they can offer in order for you to meet your academic goals.

COVID-19 Statement: All students, faculty, and staff are expected to familiarize themselves with materials and information contained on the College of the Mainland's Coronavirus Information site at www.com.edu/coronavirus. In compliance with Governor Abbott's May 18 Executive Order, face coverings/masks will no longer be required on COM campus. Protocols and college signage are being updated. We will no longer enforce any COM protocol that requires face coverings. We continue to encourage all members of the COM community to distance when possible, use hygiene measures, and get vaccinated to protect against COVID-19. Please visit com.edu/coronavirus for future updates.
