Course Description: A survey of the political, social, economic, cultural, and intellectual history of Texas from the pre-Columbian era to the present. Themes that may be addressed in Texas History may include Spanish colonization and Spanish Texas, Mexican Texas, the Republic of Texas, statehood and secession, oil, industrialization and urbanization, civil rights and Modern Texas.

Determination of Course Grade:

Course Work Requirements: This is a course that requires the student to attend lectures. Each lecture contains material that is not available in the textbook, material that the student is responsible for and will be tested upon; therefore it is essential that students make a concerted effort to attend class. If a student is absent from class, they are responsible for acquiring the lecture notes from a classmate. Rigorous note taking and studying of lecture notes is expected if the student is to succeed in the class. In addition to attending lectures,

students are expected to read the textbook assignment prior to attending the lecture on that subject if they choose to utilize the optional textbook. This is a Hybrid class which means part of your coursework will be on D2L.

Exams: There will be **four exams** during the semester with a value of **100** points each. Exam material will be drawn from both lectures and assigned readings. Exams will be online. Students should pay particular attention to terms in the study guides, which will be distributed prior to each exam. Each exam will consist of multiple-choice questions, short answer, map questions as well as essay question. **There will be NO makeup tests given. If you miss a test your lowest test score for the semester will count twice. If you miss more than one test the other will be a 0. Exams address the following Core Objective: Critical Thinking.**

Assessment Quizzes: In addition to the four exams, there will be at pop quizzes during the semester. Quizzes will be given in order to identify at-risk students. Once at-risk students are identified, a plan will be developed in conjunction with the student with the goal of improving their performance in the class. Quizzes will count for a total of 100 points. **Quizzes cannot be made up.** **Quizzes address the following Core Objective: Critical Thinking.**

Discussion Posts: You will be responsible for reading primary documents and posting comments on the discussion boards on D2L. These discussions will address the readings and will incorporate reading and class discussion. Each week there will be a different question posted that you will need to respond to. This will be part of your attendance grade. I will let you know in class which documents to read and when the discussion posts are due.

Primary documents will be posted on D2L and these are the documents that you need for the discussion posts. You will read the documents for that discussion and post a comment (needs to be about a paragraph) on the documents, what did the document say, what was its purpose and how did it fit into our class discussions. You will also need to comment on at least one other persons post.
