If it is not turned in by the determined due date, it will be counted late and points are then deducted according to the late work policy. **Practical sheets must be completed in its entirety to obtain a grade of 100. Any practicals not completed according to the book, with proper draping and patron protection, WILL NOT receive a signature. If the practical sheet is lost, the signatures will also be lost and the student must start over.**

Attendance Policy: The faculty believes that experiences in the classroom and laboratory cannot be adequately duplicated if a student is absent. In addition, the Skin Care / Cosmetology Programs are designed to teach professional work habits, such as attendance. Each absence is a zero for the attendance grade and a 50 for arriving late or leaving early.

Excessive absences, even 1 tardy after four (4) days missed, in either lecture or lab, will result in a dismissal from the program. Missing more than an hour of class is considered an absence. Remember 4 tardies equal 1 absence. A tardy is if you arrive after class starts or if you leave before class is dismissed.

Communicating with your instructor: ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. Please download the app GroupMe as messages may be sent through the app as well. Important confidential info will not be discussed on GroupMe.

Notice to Students Regarding Licensing: Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements: www.tdlr.texas.gov Should you wish to request a review of the impact of criminal history on your potential TDLR Cosmetology Operator Certificate which leads to testing for licensure, prior to or during your quest for a certificate, you can visit www.tdlr.texas.gov and request a “Criminal History Evaluation”: This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook. <https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf. *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.* https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf
