

EMSP 1356-101CL
Patient Assessment and Airway Management
Fall 2023
1230 p – 400 p, Mon/Wed/Fri

Instructor Information: Karl L Moore, AS, LP, NRP, FP/CCP-C
Email: Kmoore19@com.edu
Cell: 713-489-1472

Student hours and location: All didactic classes and skills labs will be conducted in a Face-to-Face format in the COM (College of the Mainland) Public Service Careers Building, Room 118.

The class will be held every Monday, Wednesday, and Friday from 1230 p – 400 p.

Required Textbook/Materials:

- Advanced Emergency Care and Transportation of the Sick and Injured, Fourth ed. Includes Navigate 2 Advantage Access (the [E-Book and FISDAP](#))

Course Description: Knowledge and skills required to perform patient assessment, airway management, and artificial ventilation. Perform a history and comprehensive physical exam on various patient populations; establish and/or maintain a patient airway; demonstrate oxygenation and ventilation of a patient; differentiate respiratory distress, failure and arrest; and interpret results of monitoring devices.

This course satisfies requirements towards AEMT (formerly "EMT-Intermediate") certification.

Course requirements: Prerequisites: [EMSP 1501](#) and [EMSP 1260](#).

Co-requisite: [EMSP 1338](#), [EMSP 1355](#) and [EMSP 2168](#). Co-enrollment is mandatory to attend the course and to receive a course completion at the end of the program.

Determination of Course Grade/Detailed Grading Formula:

Exams: 30% of grade

- most are noted on the class schedule; however, notice will be given at least 1 class period prior to any supplemental exams.
- Exams will cover the material of the week prior.
- There will be 5 weekly exams.
- 25 – 50 Questions.

Final Exam: 20% of grade (cumulative)

- eligible for retake if overall average of 75% prior to Final AND Exam Avg of 75%.
- Will be cumulative.
- 100 Questions

Quizzes: 20% of grade

- There will be a quiz for each chapter.
- Must be completed prior to the day of class.
- 10 - 20 Questions
- Will be worth 10 points ea.

Homework/Preparation: 20% of grade

- All Homework assignments will be given one week of the due date.
- Must be submitted via Brightspace.

Activity/Participation: 5% of grade

- Participation will be assessed by the daily attendance roster.
- Activity will be assessed by FSDAP entries of at least one skill and one patient contact.

Professionalism: 5% of grade

- all at the discretion of the instructor—see Affective Domain Evaluation Tool
- timeliness/attendance
- appearance
- general demeanor (respectfulness, willingness to help other classmates, etc.)

Grading Scale:

- 90 – 100 A
- 80 – 89.9 B
- 70 – 79.9 C
- 60 – 69.9 D
- Below 60 F

All Students must maintain a 70% Overall in the course and a 70% on all major exams. Failure to maintain a 70% Overall and a 70% on all major exams will result in the student being dropped from the program.

Late Work, Make-Up, and Extra-Credit Policy: Late work will only be accepted one class period late, with a 20 percent loss to the earned grade. Make-up and Extra-Credit will only be assigned on an as needed basis for the group, not for any individual.

Attendance Policy: Students are required to attend all scheduled class dates, from beginning to end. Students are allowed to miss up to two excused class dates, one unexcused class, or a maximum of 7 hrs. of class time.

Communicating with your instructor: ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. (Faculty may add additional statement requiring monitoring and communication expectations via D2L or other LMS)

Student Learner Outcome	Maps to Core Objective	Assessed via this Assignment
1. Students will be able to integrate the pathophysiological principles and assessment findings to formulate a field impression of an emergency medical patient.	Critical Thinking: to include creative thinking, innovation, inquiry, and analysis, evaluation and synthesis of information	Final Exam
2. Students will be able to implement an acceptable treatment plan of a medical patient	Empirical and Quantitative Skills: to include the manipulation and analysis of numerical data or observable facts resulting in informed conclusions.	Final Pt Assessment/ Skills Exam
3. Students will demonstrate the proper attitude expected of an AEMT	Personal Responsibility: to include the ability to connect choices, actions and consequences to ethical decision-making	Other: Affective Domain Tool

Academic (Scholastic) Dishonesty: In accordance with Policy Code FLB of the COM Policy Manual, any student that is in violation of Academic Dishonesty during the course will be subject to disciplinary action in accordance with COM Policy FM/FMA.

"Scholastic dishonesty" shall include, but not be limited to, cheating, plagiarism, and collusion.

"Cheating" shall include, but not be limited to:

- i. Copying from another student's test or class work;
- ii. Using test materials not authorized by the person administering the test;
- iii. Collaborating with or seeking aid from another student during a test without permission from the test administrator;
- iv. Knowingly using, buying, selling, stealing, or soliciting, in whole or in part, the contents of any event intended to be graded;
- v. Substituting for another student, or permitting another student to substitute for oneself, to complete any event intended to be graded;
- vi. Falsifying documentation submitted for purposes of obtaining a grade or course credit; and
- vii. Altering the contents of a test or any assigned grades.

"Plagiarism" shall be defined as the appropriating, buying, receiving as a gift, or obtaining by any means another's work and the unacknowledged submission or incorporation of it in one's own written work.

"Collusion" shall be defined as the unauthorized collaboration with another person in preparing written work for fulfillment of course requirements

Student Concerns: If you have any questions or concerns about any aspect of this course, please contact me using the contact information previously provided. If, after discussing your concern with me, you continue to have questions, please contact Michael Cooper at 409-933-8198 or mcooper18@com.edu

Course outline: See attached course schedule.

Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook [Student Handbook 2022-2023 v4.pdf \(com.edu\)](#). *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.*

Academic Success & Support Services: College of the Mainland is committed to providing students with the necessary support and tools for success in their college careers. Support is offered through our Tutoring Services, Library, Counseling, and through Student Services. Please discuss any concerns with your faculty or an advisor.

ADA Statement: Any student with a documented disability needing academic accommodation is requested to contact Kimberly Lachney at 409-933-8919 or klachney@com.edu. The Office of Services for Students with Disabilities is located in the Student Success Center.

Textbook Purchasing Statement: A student attending College of the Mainland is not under any obligation to purchase a textbook from the college-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

Withdrawal Policy: Students may withdraw from this course for any reason prior to the last eligible day for a "W" grade. Before withdrawing students should speak with the instructor and consult an advisor. Students are permitted to withdraw only six times during their college career by state law. The last date to withdraw from the 1st 8-week session is October 11. The last date to withdraw from the 16-week session is November 28. The last date to withdraw for the 2nd 8-week session is December 7.

FN Grading: The FN grade is issued in cases of *failure due to a lack of attendance*, as determined by the instructor. The FN grade may be issued for cases in which the student ceases or fails to attend class, submit assignments, or participate in required capacities, and for which the student has failed to withdraw. The issuing of the FN grade is at the discretion of the instructor. The last date of attendance should be documented for submission of an FN grade.

Early Alert Program: The Student Success Center at College of the Mainland has implemented an Early Alert Program because student success and retention are very important to us. I have been asked to refer students to the program throughout the semester if they are having difficulty completing assignments or have poor attendance. If you are referred to the Early Alert Program, you will be contacted by someone in the Student Success Center who will schedule a meeting with you to see what assistance they can offer in order for you to meet your academic goals.

Resources to Help with Stress:

If you are experiencing stress or anxiety about your daily living needs including food, housing or just feel you could benefit from free resources to help you through a difficult time, please click here <https://www.com.edu/community-resource-center/>. College of the Mainland has partnered with free community resources to help you stay on track with your schoolwork, by addressing life issues that get in the way of doing your best in school. All services are private and confidential. You may also contact the Dean of Students office at deanofstudents@com.edu or communityresources@com.edu.
