back from an absence (this is the student's responsibility). Practical skills, oral reports, and final exams may not be made up.

Attendance Policy: Students must maintain regular attendance to guarantee completion of hours by the end of the program. Every class is important to your success in school. A sign-in sheet will be provided in each class. Each student must sign themselves in and out ***DAILY***.

Daytime classes are Full Time Block scheduling. This means that all 3 classes are to be taken each semester. All classes must be passed with a grade of C or better to move to the next course. Due to this, schedule changes from daytime to evening or evening to daytime are not allowed. This can be done only with special permission from the department chair and advisor; it is limited to one switch per student. Plan your schedule accordingly throughout the program.

Tardiness: Entering the class after the time class begins OR leaving the class before it has ended will be counted as tardy. Each tardy will result in a 5-point deduction from the attendance grade. Four (4) tardies are equal to one absence. Please refer to your classes' syllabi for specific guidelines on your instructor's tardy policy.

Absence: Any time missed will affect the total number of hours needed for completion. If a student misses 1 hour or more per session, the grade will reflect an absence. Each absence will result in a 10-point deduction from the Attendance grade. If a student misses more than 10 percent of class time in any one course, they will be dismissed from that course. If prior to "W" day, the student may withdraw to receive a grade of W. Otherwise the grade will be F. It is the student's responsibility to withdraw through the admissions department. Please refer to your classes' syllabi for specific guidelines on your instructor's absence policy.

Any absence will affect your success in class. Do your best to attend every class. Communicate with your instructors when issues arise and know what assignments need to be made up.

Prenatal appointments: For doctor appointments due to maternity, the following steps can be utilized to avoid being withdrawn for excessive absences.

1. Communicate with your instructor prior to the appointment of the absence.
2. Bring a note from the doctor stating the appointment date and time upon returning to class. *You are expected to attend class before or after your appointment.*
3. Make-up work will be assigned on a case-by-case basis.

NO OTHER ABSENCES WILL BE EXCUSED

Disclaimers/Additional Policies: Instructors may, at their discretion, withdraw a student due to lack of attendance, or the inability to maintain the prescribed minimum rate of progress (70% test average) stated in the course syllabus. Also, any behavior detrimental to the learning process of

2

the student or class. Students should be familiar with the Cosmetology Welcome Packet & Student Expectations.

Close door policy: During theory, the door will be closed. To avoid disrupting the class, students arriving after the door has been closed will not be permitted until theory is over. The above policy will apply.

Communicating with your instructor: ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. (Faculty may add additional statement requiring monitoring and communication expectations via D2L or other LMS)

Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six

months of the grade assignment. Directions for filing an appeal can be found in the student handbook https://www.com.edu/student-services/docs/Student_Handbook_2024-2025_v2.pdf. An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal

Notice to Students Regarding Licensing: Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements: www.tdlr.texas.gov Should you wish to request a review of the impact of criminal history on your potential TDLR Cosmetology Operator Certificate which leads to testing for licensure, prior to or during your quest for a certificate, you can visit www.tdlr.texas.gov and request a "Criminal History Evaluation": This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.
