**No “Recycled Assignments for Course Credit:** You may not re-submit an essay or discussion post (or portions thereof) that you did in another course for credit in this course, including material from one of my classes in an earlier semester. Therefore, even if you have done an assignment before in another class, you must do it from scratch this semester.

**Online Attendance Policy:** Student attendance in online courses is defined as active participation in the course. Online courses will, at a minimum, have weekly mechanisms for student participation no more frequently than daily, which can be documented by any or all the following methods:

- Contributing to an online discussion or text chat session
- Submitting an assignment or working draft
- Working through exercises; taking a quiz or exam
- Viewing and/or completing a tutorial
- Initiating contact with a faculty member to ask a course-related question
- Another course participation.

These academic activities are tracked and documented through the College's learning management system, email system, and publisher websites. Course tracking will be used to assess the amount of “attendance” in an online course. Any student who fails to attend the orientation session or complete a scheduled assignment during the first week of class will be reported as absent.

In order to be considered attending the online class you must complete the assignments Introduction discussion and Syllabus Quiz by census day, which is 12/10. If you do not complete the assignment you will be considered non-attending and dropped from the class.

**Technology statement:** The instructor is not required to consider lost/missing/unacceptable work stemming from technical non-compliance and/or end-user technical issues. Failure to maintain Internet or computer access shall not constitute a valid excuse for missed work. Any student who cannot keep up with the coursework owing to a lack of computer or Internet access or functionality should refer to the Library Computer Lab hours of operation (<https://www.com.edu/computer-labs/library-computer-lab>) and plan to complete all coursework during posted hours.

If you fail to complete an assignment or exam because your computer crashes or loses internet access, forget to attach a file, attach a wrong/blank/empty file to an assignment, did not verify submission of the correct file/information/link/etc., or did not use the appropriate browser or operating system to access and complete course work, then you are not entitled to make up or resubmit the course work. If the assignment, discussion, project, or exam was not completed or submitted in a timely manner due to your error or due to end-user technological issues of any kind, it cannot be made up.

**Grades:** Please make sure you are checking your grades weekly, if you see any issues you need to let me know asap. Do not wait until the end of the semester. Please do not email me at the end of the semester asking me for a grade bump. I give plenty of extra credit, I do not bump grades. I will not round up grades. Please remember this class does not go by percentages but by points.

Please make every effort to be in class on that day as I will not give make-up exams or quizzes. If you miss an exam you need to provide **DOCUMENTED PROOF** of why you missed the exam. The only situations in which a make-up exam will be allowed are **GENUINE AND DOCUMENTED EMERGENCIES**. If the exams are taken on D2L, I expect this to be an **EXTREMELY** rare occurrence. There is no make-up for assignments. Simply not being prepared for an exam is not a valid excuse for not taking an exam on the scheduled date and time. There is no Make-up work, you have a window of several days and in some cases several weeks to complete assignments. I do not go back and open assignments up.

**Late work will not be accepted.** Please do not ask for alternate assignments. If you have issues with an assignment, you need to see me **BEFORE** the assignment is due. I cannot help you if you contact me after the assignment is due. **Please do not email me missed assignments, all assignments must be uploaded to D2L.** I will substitute your lowest exam grade for one missed exam (this **DOES NOT** mean I drop a grade). I will

also substitute the lowest Writing Portion grade for one missed Writing Portion. If you turn in the wrong paper, I will not substitute for that paper. If you miss more than one exam those grades will be zero. I do not give extensions on papers as they are available for several weeks. The only situations in which a make-up exam will be allowed are **GENUINE AND DOCUMENTED EMERGENCIES**

**Please be aware going on a trip/vacation does not warrant getting extra time to complete assignments.**

If you have issues with an assignment, you need to see me BEFORE the assignment is due. I cannot help you if you contact me after the assignment is due.

If you have issues with the grade on an assignment DO NOT wait until the end of the semester to say something.

## Institutional Policies and Guidelines

**Grade Appeal Process:** Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook [https://www.com.edu/student-services/docs/Student\\_Handbook\\_2024-2025\\_v2.pdf](https://www.com.edu/student-services/docs/Student_Handbook_2024-2025_v2.pdf). *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor’s professional judgment of the quality of the student’s work and performance is also not an admissible basis for a grade appeal.*
