Course requirements: TDLR Exam eligibility for all facial students must complete esthetic program requirements. All exam grades must be witnessed and signed by the instructor on duty with a score of 85% or higher. No exam notes, books or cell phone may be used while testing. All exams must be taken and passed in chronological order.

Determination of Course Grade/Detailed Grading Formula:

Paper Assignment: Unit Exams/CIMA	20%
Final:	30%
Professionalism: [OBJ]	30%
Lab Practical Skill Sheet:	20%

Late Work, Make-Up, and Extra-Credit Policy: Any late CIMA activities will result in a zero if not completed by the due date. No work will be taken past the class end date. Tests and activities can be made up upon return with a 10 point reduction. It is the student's responsibility to request make up tests and assignments. Extra credit is not available for this class.

Attendance Policy: The faculty believes that experiences in the classroom and laboratory cannot be adequately duplicated if a student is absent. In addition, the Skin Care / Cosmetology Programs are designed to teach professional work habits, such as attendance. Every class is important to your success in school so please make every effort to attend all classes. Excessive absences in either lecture or lab will result in a dismissal from the scheduled class. Students arriving late (after 8:15am) or leaving early (before 4:30pm) or before class is dismissed is considered a tardy. IF you are not back at the designated time for break, you will be counted tardy and it will affect your attendance. Any student missing more than an hour of class per day, will be counted absent.

Any time past 4 absences, will result in being dropped from the class.

Dr. notes will no longer be an automatic excused absence.

In the event you have tested positive for COVID, you must self-report at <https://www.com.edu/coronavirus/self-report-gateway> and stay home for the designated amount of time stated from the email you will receive from COM.

Prenatal appointments:

For doctor appointments due to maternity, the following steps can be utilized to avoid being withdrawn for excessive absences.

1. Communicate with your instructor prior to the appointment of the absence.
2. Bring a note from the doctor stating the appointment date and time upon returning to class. You are expected to attend class before or after your appointment.
3. Make up work will be assigned on a case-by-case basis.

For any other contagious illness: These will be on a case-by-case basis and will need communication with your instructor and possibly the department Chair.

Communicating with your instructor: ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. (Faculty may add additional statement requiring monitoring and communication expectations via D2L or other LMS). Our class also uses the GroupMe app which can be downloaded to your personal mobile phone.

Academic Dishonesty: Any incident of Academic Dishonesty will be dealt with in accordance with College of the Mainland Policy and Student Handbook. Academic dishonesty, such as cheating on an exam, plagiarism and collusion is a serious offense and will result with the grade of a zero on that exam. The second offense will result in being dropped from the class. The students/students involved will be referred to the Office of Student Conduct for the appropriate discipline.

Plagiarism is using someone else's words or ideas and claiming them as your own. Plagiarism is a very serious offense. Plagiarism includes paraphrasing someone else's words without giving proper citation, copying directly from a website and pasting it into your paper, and using someone else's words without quotation marks. Any assignment containing any plagiarized material will receive a grade of zero "0" and the student will be referred to the Office of Student Conduct for the appropriate discipline action.

Notice to Students Regarding Licensing: Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements: www.tdlr.texas.gov Should you wish to request a review of the impact of criminal history on your potential TDLR Cosmetology Operator Certificate which leads to testing for licensure, prior to or during your quest for a certificate, you can visit www.tdlr.texas.gov and request a “Criminal History Evaluation”: This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Disclaimers/Additional Policies: Instructors may, at their discretion, withdraw a student due to lack of attendance, or the inability to maintain the prescribed minimum rate of progress (70% test average) stated in the course syllabus. Also, any behavior detrimental to the learning process of the student or class. Students should be familiar with the Cosmetology Welcome Packet & Student Expectations.
