**Attendance Policy:** Every class is important to your success in school. Make every effort to attend all classes. A sign-in sheet will be provided in each class. Each student must sign themselves in and out daily. If a student misses more than half the class period, the grade will reflect an absence. Any time missed will affect the total number of days required for completion. Attendance grades are calculated as follows: Each tardy is 5 points off the attendance grade. Each absence is 10 points off the attendance grade.

If a student misses more than 4 absences they will be dismissed from the course, according to College of the Mainland policies. All courses must be completed and passed with a C or better to be able to advance to the next courses, and to be able to sit for the license exam. It is the student's responsibility to understand the course requirements and maintain sufficient attendance and work completion.

**Tardiness Policy:** Entering the class after the time class begins is counted as a tardy. Entering the class after the halfway mark of the class is counted as an absence. Every four tardies equal one absence.

Before withdrawing students should speak with the instructor and consult an advisor. Students are only permitted to withdraw six times during their college career by State law. The last date to withdraw from the 1<sup>st</sup> 8-week session is October 5. The last date to withdraw from the 16-week session is November 18. The last date to withdraw for the 2<sup>nd</sup> 8-week session is December 1.

The FN grade may be issued for cases in which the student ceases or fails to attend class, submit assignments, or participate in required capacities, and for which the student has failed to withdraw. The issuing of the FN grade is at the discretion of the instructor.
