Determination of Course Grade/Detailed Grading Formula: All assignments and tests carry the same weight of 100%. As explained in the Law Enforcement Academy Rules and Regulations, a grade **Below** 70% on any assignment, test/exam, or practical exercise is failing. Students must achieve a 70% or better average by the end of the fourth week and maintain this average throughout the course. Written notice will be given to any student who drops down within 3 points of that minimum score.

Dropping below the 70% average after the 4th week can result in termination from the program if the Director determines that it is in the best interest of the student and the academy.

Final: Student must score no less than 70% on the final to be eligible to take the licensing exam. The Director of the BPOA may waive this requirement if in his/her judgment, based on past student performance throughout the BPOA, the Director believes the student knows the material and can successfully pass the state licensing exam.

Grading Scale: 90-100= A 80-89= B 70-79= C 0-69= F

Late Work, Make-Up, and Extra-Credit Policy: Students are allowed 3 retests during the duration of the Basic Peace Officer Academy, (BPOA). The scores of retests will be averaged with the original test score to determine the score for that exam and will not exceed 75%. All tests and assignments will be made up no more than 5 days after a student has missed an exam.

Attendance Policy: The Texas Commission on Law Enforcement requires students to attend the class in its entirety. **Any hours missed must be made up prior to the end of the program.** Attendance is governed by the Law Enforcement Academy Rules and Regulation.
