Exam material will be drawn from quizzes, assigned readings, blackboard assignments and all class activities Students should pay particular attention to terms in the study guides, which will be distributed prior to each exam. Each exam may consist of multiple-choice questions, short answer, and map questions All exams will be given during class.

**Core Objective: Critical Thinking** 

**Assessment Quizzes:** In addition to the four exams, there will be at least 10 quizzes in class to

assess your progress between major exams. Quizzes will count for a total of 100 points (10 points for each quiz). Like exams, quizzes cannot be made up. Missed quizzes receive a grade of zero. Quizzes address the following Core Objective: Critical Thinking.

Textbook Readings, Videos, Podcasts and Lessons will all include information that will be on quizzes and exams. These will open each week with the appropriate material.

Movie Critique: I have a list of suggested movies in Blackboard. Choose a film appropriate for our class. After watching the movie, you will write a two-page typed paper about the film. You will address the question of how this movie/documentary fits into the class discussions we have had. Is this an accurate representation of what we have been studying? See course schedule for due date. Upload your finished paper to Blackboard.

## Movie Critique (50 points)

- You need to look for movies on the approved movie list posted in Blackboard. If you want to do a movie on the list, you must get approval from your instructor or you risk receiving a zero.
- After watching the movie, you will write a 2-page typed paper about the movie. You will address the question of how this movie fits into the class discussions or your knowledge of the time-period/event. Is this an accurate representation of what we have been studying? Why or why not
- You need to go into detail about this film.
- First give a summary of the film.
- Then, discuss in detail how it fits into the class discussions or your knowledge of the time-period or event.
- Is it an accurate representation of what we have been studying? Why or Why not, give details.
- This is not just a summary of the movie you need to analyze the movie.
   DO NOT USE OTHER SOURCES FOR THIS ASSIGNMENT. ONLY USE THE MOVIE ITSELF.
- I don't want to know what the critics think. I don't want to know how much it made. You need to use only the movie itself.
- You may go longer than 2 pages, but your paper needs to be detailed. Do not imply and expect me to know what you mean.

## **Institutional Policies and Guidelines**

**Grade Appeal Process:** Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months

of the grade assignment. Directions for filing an appeal can be found in the student handbook. <a href="https://build.com.edu/uploads/sitecontent/files/student-services/Student Handbook 2019-2020v5.pdf">https://build.com.edu/uploads/sitecontent/files/student-services/Student Handbook 2019-2020v5.pdf</a>. An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal. <a href="https://build.com.edu/uploads/sitecontent/files/student-services/Student Handbook 2019-2020v5.pdf">https://build.com.edu/uploads/sitecontent/files/student-services/Student Handbook 2019-2020v5.pdf</a>
