C – 70-79

D – 60-69

F – 59 and below

Late Work, Make-Up, and Extra-Credit Policy: Any work late due to an absence should be turned in upon return to class; make up tests should be scheduled with instructor. There is no make up for Practical Skill Tests or the Final Exam.

Attendance Policy: Students must maintain regular attendance to guarantee completion of hours by the end of the program. Every class is important to your success in school. A sign in sheet will be provided in each class. Each student must sign themselves in and out daily.

Day time classes are Full Time Block scheduling. This means that all 3 classes are to be taken each semester. All classes must be passed with a grade of C or better to move to the next course. Due to this, schedule changing from daytime to evening or evening to daytime is not allowed. Only with special permission from the department chair and advisor can this be done; and it is limited to one switch per student. Plan your schedule accordingly throughout the program.

If a student misses more than one hour of the class period, the grade will reflect an absence. Each absence will result in a 10-point deduction from the Attendance grade.

If a student has more than 4 absences in any one course they will be dismissed from that course. If prior to “W” day, the student may withdraw to receive a grade of W. Otherwise the grade will be F. It is the student’s responsibility to withdraw through the admissions department.

Tardiness: Entering the class after the time class begins OR leaving the class before it has ended will be counted as a tardy. Each tardy will result in a 5-point deduction from the attendance grade. Four (4) tardies are equal to one absence.

*During theory, the door will be locked. To avoid disruption to the class, students arriving after the door has been locked will not be permitted in until theory is over. The above policy will apply.

For Excused absences see Welcome Packet.

Communicating with your instructor: ALL electronic communication with the instructor must be through **your COM email**. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. (ex. Grades and attendance)

Also, it is expected that students log into D2L weekly to view course assignments, messages, etc.

Instructors will create a Group Me for the class as a way to connect outside of class. Updates and quick answers can be communicated through this app. Peer to peer communication is also available through this method.

Directions for filing an appeal can be found in the student handbook [Student Handbook 2022-2023 v4.pdf \(com.edu\)](#). *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course.
