Attendance Policy: The faculty believes that experiences in the classroom and laboratory cannot be adequately duplicated if a student is absent. In addition, the Skin Care / Cosmetology Programs are designed to teach professional work habits, such as attendance. Every class is important to your success in school and you must, first, go online and self-screen before entering the building at www.com.edu/selfscreen . Make every effort to attend all classes if you do not have any symptoms listed from the online screening. In the event you have COVID or have been in contact with someone who tested positive for COVID, you must self-report at <https://www.com.edu/coronavirus/self-report-gateway> and stay home for the designated amount of time. Those who have no symptoms and have self-screened should sign in on the sheet that will be provided in each class. Excessive absences in either lecture or lab will result in a dismissal from the scheduled class.

Students arriving late (after 5:15pm) or leaving early (before 10pm) or before class is dismissed is considered a tardy. Any student missing more than an hour of class per day, will be counted absent. Any time past 4 absences, will result in being dropped from the class.

Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook. <https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf. *An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.* https://build.com.edu/uploads/sitecontent/files/student-services/Student_Handbook_2019-2020v5.pdf
