Paper Assignment: CIMA/paper assignments	10%
Final:	20%
Professionalism:	10%
Attendance:	20%
Make-up Project assignment:	20%
Lab Practical Skill Sheet:	20%

Professionalism Grading Rubric: Prompt, Prepared, Uniform & Compliance & Hair/Make- up. All five areas must be met to receive a grade of 100%. If not met the daily professional grade will be 0.

Zero Tolerance Policies:

1. Bullying: physical or mental. We will always strive to maintain a positive atmosphere.
2. Uniform: Wear it or return home, get in uniform and return to school including lab jacket.
3. No Borrowing. Bring your supplies or go home, retrieve your supplies and return to school.

Late Work, Make-Up, and Extra-Credit Policy: Late tests or homework/assignments will be deducted 10 points for being late, even 1 day. Any CIMA activities needing extended dates will be 10 points deducted for each request. Makeup work must be completed in a timely manner. It is your job to get your missed assignments the first day you return to class. The due date will be determined for the assignment at that time. If it is not turned in by the determined due date, it will be counted late and points are then deducted according to the late work policy. **Practical sheets must be completed in its entirety to obtain a grade of 100. If the practical sheet is not complete at the end of class, it is a zero grade. Any practicals not completed according to the book, with proper draping and patron protection, WILL NOT receive a signature. If the practical sheet is lost, the signatures will also be lost and the student must start over.**

Attendance Policy: The faculty believes that experiences in the classroom and laboratory cannot be adequately duplicated if a student is absent. In addition, the Skin Care / Cosmetology Programs are designed to teach professional work habits, such as attendance. Each absence is a zero for the attendance grade and a 50 for arriving late or leaving early.

Since this course is only a eight week class, you are allowed **the four absences**. If you are absent for client lab on Tuesday evenings and miss your client's appointment will result in 2 absences for that Tuesday. Excessive absences, even 1 tardy after **four (4) days** missed, in either lecture or lab, will result in a dismissal from the program. Missing more than an hour of class is considered an absence. Remember 4 tardies equal 1 absence. A tardy is if you arrive after class starts or if you leave before class is dismissed.

Communicating with your instructor: ALL electronic communication with the instructor must be through your COM email. Due to FERPA restrictions, faculty cannot share any information about performance in the class through other electronic means. We will use Microsoft Teams

Academic Dishonesty: Any incident of Academic Dishonesty will be dealt with in accordance with College of the Mainland Policy and Student Handbook. Academic dishonesty, such as cheating on an exam, plagiarism and collusion is a serious offense and will result with the grade of a zero on that exam. The student/ students involved will be referred to the Office of Student Conduct for the appropriate discipline. All students must maintain an **Exam GPA of "70" or higher** to remain in registered class. Students failing to maintain required written exam average will be dropped from the program.

Plagiarism is using someone else's words or ideas and claiming them as your own. Plagiarism is a very serious offense. Plagiarism includes paraphrasing someone else's words without giving proper citation, copying directly from a website and pasting it into your paper, using someone else's words without quotation marks. Any assignment containing any plagiarized material will receive a grade of zero "0" and the student will be referred to the Office of Student Conduct for the appropriate discipline action.

IMPORTANT: Eligibility for an occupational license may be impacted by one's criminal history. Students with a criminal history should confer with faculty or the department chairperson. Students have a right to request a criminal history evaluation letter from the applicable licensing agency.

Notice to Students Regarding Licensing: Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements: www.tdlr.texas.gov Should you wish to request a review of the impact of criminal history on your potential TDLR Cosmetology Operator Certificate which leads to testing for licensure, prior to or during your quest for a certificate, you can visit www.tdlr.texas.gov and request a "Criminal History Evaluation": This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Institutional Policies and Guidelines

Grade Appeal Process: Concerns about the accuracy of grades should first be discussed with the instructor. A request for a change of grade is a formal request and must be made within six months of the grade assignment. Directions for filing an appeal can be found in the student handbook https://www.com.edu/student-services/docs/Student_Handbook_2023-2024_v2.pdf. An appeal will not be considered because of general dissatisfaction with a grade, penalty, or outcome of a course. Disagreement with the instructor's professional judgment of the quality of the student's work and performance is also not an admissible basis for a grade appeal.
